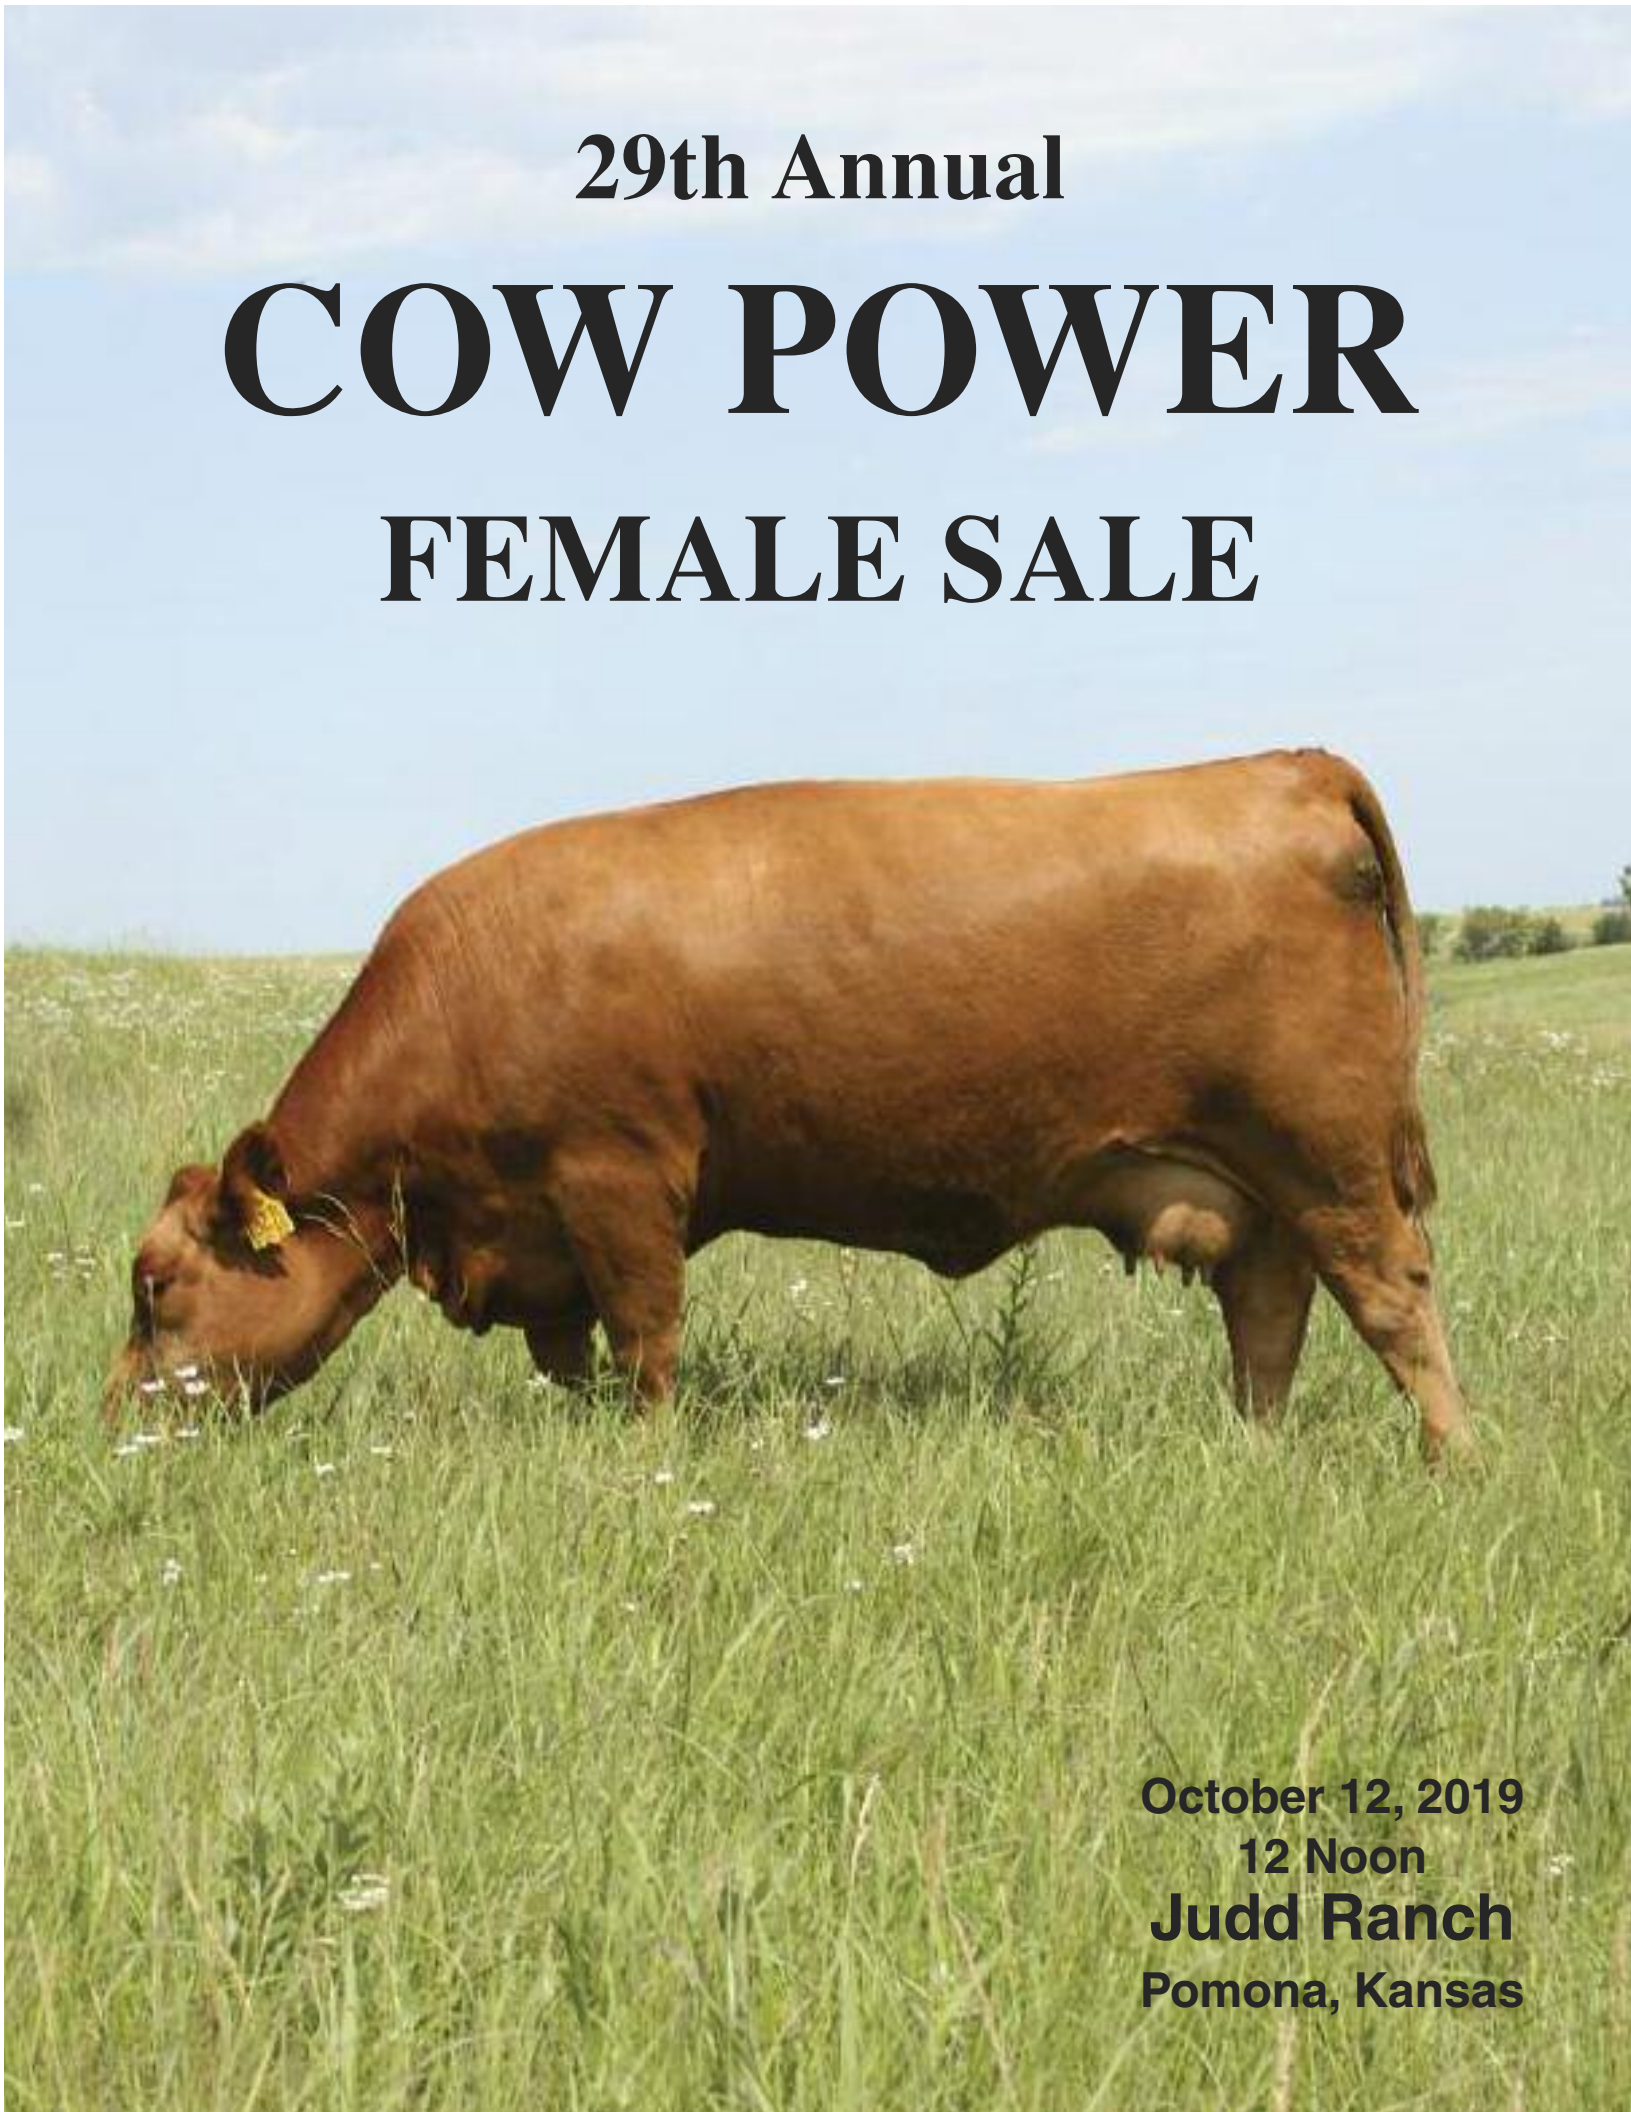
29th Annual

COW POWER

FEMALE SALE



October 12, 2019
12 Noon
Judd Ranch
Pomona, Kansas

Judd Ranch, Inc.
Cow Power 29 Female Sale
GENERAL INFORMATION

FREE TRUCKING.... When your purchases total $20,000 or more, JRI will truck your females FREE within the continental United States and JRI delivers directly to your door, not to some central location miles away from you. $20,000 or more going out of the 48 states will be trucked free of charge to the border.

TRAVEL.... Judd Ranch is located 1½ hours from Kansas City MCI Airport. Private landing at Ottawa Municipal Airport located three miles south of Ottawa and 15 minutes from Judd Ranch, (785) 242-5310.

RANCH LOCATION...2 miles west of Pomona, Ks. on Hwy K-68, or 12 miles west of Ottawa, Kansas on Hwy. K-68.

JOIN US... Friday evening Oct. 11 for a customer appreciation gathering at the ranch. View the cattle at your leisure, enjoy snacks and beverage, and meet up with fellow producers. Sale day we'll start serving complimentary lunch at 11:00.

ACCOMMODATIONS....It's a busy weekend in Ottawa so please call before Sept. 28th and ask for Judd Ranch Reserved Rooms.

Sale Motel Headquarters
Comfort Inn- Ottawa (785) 242-6150
(Note New Phone Number)

Alternative Accommodations
Super 8 - Ottawa (785) 242-5551
Best Western- Ottawa (785) 242-2224

INSURANCE... Buyers, to protect your buying interest, insurance is offered at settlement time. On our Free Delivery on $20,000 or more we encourage you to purchase insurance. Our haulers have insurance but this insurance only covers the commercial value of your animals. Shipping insurance only covers death of the animal but given the minimal cost of such insurance we'd encourage all buyers to purchase it.

SPECIAL NOTE.... All bred females have been pregnancy tested and sell as guaranteed pregnant. Plus, any animals DNA tested for homozygous black that are known red carriers will be denoted with (RC) and any animals DNA tested for homozygous polled and that prove to be heterozygous polled will be noted with (HP).

SIGHT UNSEEN PURCHASES.... If you can't attend the sale and you want to buy, call: Roger Gatz (800) 743-0026 about our "Guaranteed to Please" Purchasing Agreement. Annually 25% of our gross sales are purchased through this time and money saving program. All females are guaranteed to meet your approval or you don't own them.

TERMS.... All cattle sell under the suggested Terms & Conditions of the American Gelbvieh Association.

$1200 JUDGING CONTEST... Again this year the participants can earn sale credit. Three divisions: Adult, 19 years and older, Senior, 13-18 years of age, junior, 12 years and under. Placings and pay-off credit for each division...$250 First and $150 second. Credit applicable to all animals in the sale. Contest starts at 9 a.m. sale day, registration at 8:00 am.

Dear Gelbvieh enthusiasts,

Judd Ranch will be hosting their 29th annual Cow Power Female Sale on October 12 and I have been fortunate to have helped with each and every sale. It is indeed a pleasure to work with Dave, Cindy, Nick, Ginger, Brent, Ashley and right on down the line to the grandkids, who are such incredible help with the daily ranch chores.

Breeders, when choosing a seedstock supplier I think there are several important things to keep in mind. Foremost are integrity/honesty and Dave and his family demonstrate those traits on a daily basis. Next is finding a source that has superior knowledge about the livestock industry and a basic approach to raising purebred cattle. When you combine Dave Judd's honesty and extensive livestock knowledge, they come together in a program that has always emphasized superior females or Cow Power. Last spring Judd Ranch's Bull Sale featured 302 bulls with an 81 pound average birth weight/876 pound actual weaning weight average. This Judd Ranch program has been built around "Fertility and Pounds Produced Per Cows Exposed" and that is why Judd Ranch has been honored as the #1 Dam of Merit program in the Gelbvieh breed for twenty of the past twenty-two years ('98 thru '19). EPDs are an estimation of how an animal should perform, but Fertility and Pounds are actual data that will keep you in the cattle business.

The October 12th Judd Ranch Cow Power sale offering features 181 homozygous polled females and Gelbvieh breeders; what convenience trait will give you a better return on your investment than homozygous polled genetics? Our Cattlemen's Connection AI semen sales feature over 100 Gelbvieh and Balancer A.I. sires and for us, over 95% of all sales are homozygous polled sires. Every homozygous polled bred female in the upcoming Cow Power sale is safe in calf to a homozygous polled sire and you will be the beneficiary when you start selling these homozygous polled progeny. Now let's key on the Cow Power selling as 100% of the sale offering of Gelbvieh and Balancer females feature Judd Ranch Dam of Merit cow families. Also please consider the fact that 96% of the sale offering is sired by breed-leading AI sires. Affordability is another reason to join us on October 12th, as the past twenty "Cow Power" Female Sales have only averaged $2,584 on 2,319 head and folks, the last twenty Judd Ranch bull sales have averaged $4,645 on 4,480 head. It is easy to see the females have averaged just 55% of the average price of the bulls-their very offspring.

Please feel free to give me a call toll-free at 1-800-743-0026 If you have questions about any female in this catalog or would like assistance in selecting females for your program,. In case you are unable to attend the sale, I will be happy to purchase a female(s) for you within your price range, and we will guarantee your satisfaction with the animal(s) selected, with no fee for order buying. Annually, 25% of the Judd Ranch gross sales are purchased through this time and money saving program, and you pay only the bid price, just as if you were bidding yourself. You can reach me at 1-800-743-0026 until October 7, after that date, please call my cell phone 785/547-6262 during the day, as I will be at Judd Ranch. In the evenings, please call my cell phone (785)547-6262 or the sale motel headquarters, Comfort Inn, Ottawa, Kansas 785/242-6150.

Roger Gatz
Cattlemen's Connection

The Judd Family

Dear Gelbvieh friends,

Hello from Judd Ranch! Cindy, I and our family invite you to be with us for our annual Cow Power Female Sale events on Friday, October 11 and Saturday, October 12. We are pleased you are taking the time out of your busy day to look through our catalog.

Our 29th annual Cow Power Female Sale is fast approaching and we are really looking forward to it. Cindy and I are thankful for our returning customers who choose to join us every year. If you are new to Judd Ranch, our family would also like to extend a special invitation to you. Many of our repeat customers started by attending a sale or two before making a purchase. We hope you can make it to the ranch on Friday, October 11th to analyze the sale offering, meet our family, have your questions answered and make some new Gelbvieh friends. There should be something for everyone, as we have a large selection of females offered.

We remain focused on our goal of producing Gelbvieh cattle with an emphasis on calving ease, fertility, growth and carcass. We also expect a lot from our females, to calve by two years of age and then maintain a tight calving interval, wean off an above average calf, maintain their body condition and keep a high quality udder. Thanks to our "Cow Power" females, Judd Ranch has been named the #1 Breeder and Owner of Dam of Merit females for twenty of the last twenty-two years.

Our popular judging contest will be another highlight on sale morning. We have made plans to again offer both adult and junior judging contests. We will have three divisions: adults (over 21 years), senior (13-21 years) junior (for the 12 and under set). The first-place in each division will receive $250 sale credit and the second-place will receive $150 sale credit to be used in the 2019 female sale.

The events we have planned include:

Thursday, October 10	Sale females ready for viewing
Friday, October 11th	
8:00 a.m.	View sale cattle
Afternoon.	Team & wagon rides courtesy of Rocking M
7:00 p.m.	Pre-sale party at Judd Ranch
Saturday, October 12th	
9:00-10:00 a.m.	Judging Contest (Registration begins at 8:00)
11:00 a.m.	Complimentary lunch served
12:00 p.m. Noon	Cow Power 29th Female Sale (online bidding available at LiveAuction.tv)

Cindy an I are thankful for our lives here at Judd Ranch. We are especially grateful to our hard working family and feel fortunate to have them live close. I know I don't tell them often enough how important they are to the success of the ranch. Please make plans to join us at Judd Ranch October 11th and 12th for a fall weekend in the beautiful Flint Hills of Kansas. Cindy and I are especially blessed to be able to see our grandchildren daily: Lily (15), Levi (12), Lacy (9 1/2), Oliver (6 1/2) and our youngest Avery Jo (soon to be 3).

We would especially like to thank our many loyal customers for their continued support. The faith and trust you put in us and our cattle is humbling.

Dave & Cindy

LiveAuctions.TV

"Because Every Bid, Counts"

THE FASTEST REAL-TIME ONLINE BROADCASTING BIDDING AND VIEWING

- **Go to www.liveauctions.tv**
- **Find your sale (listed in date order)**
- **Click "watch this event" (will take you to login page)**
- **If you have an account log in, if not click "*create new user*"**

After logging in, you are able to view the sale. If planning to bid, register for a buyer number by clicking "**register for a buyer number**" in the top right-hand corner. Fill out the registration information, and click "**register now**". You will then be "**pending approval**". Once approved, a bidder status approval email will be received and the bidding number will appear in the top right of the sale page. We recommend registering for a buyer number at least 24 hours in advance of an auction. Sale day requests may still be accommodated.

Buyers :: post sale, contact the sale host or management team for payment & shipping
Proxy Bidding :: for those not able to watch in real-time, bids can be placed using the blue video tabs on the right of the log in screen.
Support :: for support during the sale broadcast, chat live with one of our representatives. Otherwise, our support team is available @ **800-431-4452**

For those users on a **phone or tablet** download the **LiveAuctions.TV App**

Spring Bred Heifers

Judd Ranch First Calf Heifer with Her Powerhouse Bull Calf

1 JRI Ms Irrestistible 254F96

Double Black Homozygous Polled Purebred

1418360 Tattoo: 254F96 BD: 3/2/18 BW: 89 WW: 836

JRI Top Secret 253M75 ET (JRI Ms 253J60)
JRI Secret Instinct 254U83
JRI Ms Extra Sugar 254N72 ET (JRI Ms 254J62)
JRI Pop A Top 197T83 (JRI Ms 197R72)
JRI Ms Sweetie Pie 254B86 ET
JRI Ms Extra Wonderful 254M76 ET (JRI Ms 254J62)

Oh my, check out this super black, homozygous polled purebred Secret Instinct daughter and man oh man, JRI Ms Irresistible 254F96 features one fertile/calf raising machine cow family. Her calf raising machine dam JRI Ms Sweetie Pie 254B86 ET sports a ripping 106 weaning weight ratio on her four babies and note Ms Irresistible's scalebusting 836# 205 day weight. You can check out Ms Irresistible's grandam 254M76 photographed on page 8 above Lot 17 and take special note of the powerhouse bull calf she's nursing. Grandam 254M76 was honored numerous times as Dam of Merit and great grandams' 254E52 & 254C4 were both honored 8 consecutive years as Dam of Merit/Dam of Distinction females. (RC) 2019 EPDs: CED 13; BW 0.1; WW 60; YW 82; MK 18; TM 48 & FPI 69.01.

■ AI'ed to JRI Marshall 214X2 (1152366) on 4-18, then pasture exposed to JRI Pop A Top 2 ETN (1391327). Examined safe to her AI date. Due Jan. 27 to the black, homozygous polled AI sire Marshall who is a breed trait leader for calving ease, low birth weight, calving ease maternal, docility and marbling. **Guaranteed homozygous polled baby!**

Herdsire JRI After Hours 706D33's Awesome Dam

3 JRI Ms Pivitol Point 214F18

Homo. Black Homo. Polled (75%) Balancer

1415985 Tattoo: 214F18 BD: 2/9/18 BW: 83 WW: 645

Basin Payweight 1682 (Lass 7017)
JRI Probity 254D28
JRI Clementine 254Z8 (JRI Ms 254N72)
JRI Top Recruit 254U82 (JRI Ms 254S72)
JRI Ms Sneak A Peek 214Y98
JRI Ms Black Secret 214U88 (JRI Ms 214R78)

This beautiful homozygous black, homozygous polled Probity bred heifer is the natural calf out of Judd Ranch's prolific donor JRI Ms Sneak A Peek 214Y98. JRI Ms Pivotal Point 214F18's dam Ms Sneak A Peek features a super teat and udder system and you bet, Ms Sneak A Peek has been honored as a Dam of Merit female. Speaking of Dams of Merit Ms Pivotal Point's grandams' 214U88 & 214G6 were both honored Dam of Merit females. Dam Ms Sneak A Peek produces powerhouse sons as two have been Denver Pen Bulls for Judd Ranch. Now pencil-in Ms Sneak A Peek's phenomenal daughters as her oldest daughter 214D58 features a remarkable 359-day annual calving interval with a whopping 105 weaning weight ratio on her babies. 2019 EPDs: CED 14; BW -1.0; WW 60; YW 89; MK 18; TM 48 & FPI 72.96.

■ AI'ed to JRI General Patton 213B97 ET (1282553) on 4-19, then pasture exposed to JRI Pop A Top 2 ETN (1391327). Examined safe to her AI date. Due Jan. 28 to the homozygous polled purebred AI sire General Patton. Semen sales are closed on General Patton so here's a tremendous opportunity. **Guaranteed black, homozygous polled purebred baby!**

2 JRI Ms Isabelle 213F181 ET

ET Black Homozygous Polled Purebred

1419405 Tattoo: 213F181 BD: 1/17/18 BW: 80 WW: 705

JRI Top Secret 253M75 ET (JRI Ms 253J60)
JRI Secret Instinct 254U83
JRI Ms Extra Sugar 254N72 ET (JRI Ms 254J62)
JRI Pop A Top 197T83 (JRI Ms 197R72)
JRI Ms Mary Poppins 213A98 ET
JRI Ms Extravagant 213T87 (JRI Ms 213R77)

You definitely won't have a problem finding this gorgeous black, homozygous polled purebred Secret Instinct daughter on sale day. JRI Ms Isabelle 213F181 ET is an ET daughter out of Judd Ranch's incredible donor JRI Ms Mary Poppins 213A98 ET, who features an unmatched teat and udder system with a big time 106 weaning weight ratio on her 4 calves. Tally those factors up and it sounds like Dam of Merit type genetics and you bet, Ms Mary Poppins has been honored as a Dam of Merit female in every year of eligibility (2018 &2019). Calf raising machine genetics run mighty deep as Ms Isabelle's grandams' 213T87 & 213G57 were both honored as Dam of Merit/Dam of Distinction females. 2019 EPDs: CED 17; BW -1.2; WW 58; YW 87; MK 18; TM 47 & FPI 70.44.

■ Pasture exposed to JRI Pop A Top 2 ETN (1391327). Examined safe in calf to the Pop A Top clone Pop A Top 2 for an estimated late Feb./early March baby. This combo of Pop A Top and Secret Instinct has produced a boatload of top selling bulls and wowsa, the daughters are incredible producers. **Guaranteed homozygous polled purebred baby!**

4 JRI Ms Odyssey 254F20 ET

ET Homo. Black Homo. Polled (50%) Balancer

1423344 Tattoo: 254F20 BD: 2/5/18 BW: 73 WW: 685

Sitz Dash 10277 (Entense 2665)
JRI Optimizer 148A24
JRI Ms Bella 148Y44 (JRI Ms 148U34)
SAV Final Answer 0035 (Emulous 8145)
JRI Ms Fleur De Lis 254C2
JRI Clementine 254Z8 (JRI Ms 254N72)

Wowsa, you talk about one awesome Optimizer bred heifer with an impeccable fertility-plus/calf raising machine resume. JRI Ms Odyssey 254F20 ET's donor dam JRI Ms Fleur De Lis 254C2 possesses a whopping 110 weaning weight ratio which comes as no surprise as her first baby posted an actual 902# weaning weight. Now pencil-in Ms Odyssey's honored Dam of Merit grandams' 254Z8, 254N72, 254E52 & 254C4 and all four were leading donor females for Judd Ranch. As noted above, Ms Odyssey possesses an impeccable fertility-plus/calf raising machine resume and she should be one incredible addition to your program. 2019 EPDs: CED 17; BW -1.1; WW 66; YW 103; MK 22; TM 55 & FPI 80.16.

■ Pasture exposed to JRI Pop A Top 2 ETN (1391327). Examined safe in calf to the Pop A Top clone Pop A Top 2 for an estimated late Feb./early March baby. This should be one awesome baby as this same combo of Pop A Top and Optimizer genetics produced the top selling bull in this spring's bull sale. **Guaranteed black, homozygous polled baby!**

Spring Bred Heifers

Whopping 930# Actual Weaning Weight Average on Her Sons

5 JRI Ms Crown Jewel 254F33

Double Black Homo. Polled (63%) Balancer

1417748 Tattoo: 254F33 BD: 2/11/18 BW: 81 WW: 646

JRI Probity 254D28
JRI Clementine 254Z8 (JRI Ms 254N72)
JRI Pop A Top 197T83 (JRI Ms 197R72)
JRI Ms Shirley Temple 254Y720
JRI Ms Blk Cinder 254T620 ET (JRI Ms 254E52)

Longevity, fertility, teat and udder excellence, and producing ability are mandatory at Judd Ranch and man oh man, this beautiful Probity daughter is loaded with these four traits. Let's touch on longevity, fertility, and producing ability first as JRI Ms Elias 254F320's seven-year-old dam, 254Y720, flat excels in all three of these profitable traits as 254Y720 has been honored in every year of eligibility as a Dam of Merit female (2016 thru 2019). Now let's focus on teat and udder structure and I can tell you Ms Elias' dam 254Y720 possesses a flawless teat and udder system for a 7-year-old female. (RC) 2019 EPDS: CED 16; BW -1.6; WW 55; YW 80; MK 22; TM 50 & FPI 73.92.

■ AI'ed to JRI Marshall 214X2 (1152366) on 4-19, then pasture exposed to JRI Pop A Top 2 ETN (13911327). Examined safe to her AI date. Due Jan. 28 to Marshall who is a breed trait leader for calving ease and low birth weight, not to mention calving ease maternal, docility, and marbling. **Guaranteed homozygous polled baby!**

10 JRI Ms Influential 214F988 ET

JRI Ms Black Secret 214U88
JRI Ms Lucky Stars 214R78 ET (JRI Ms 214G6)

Whoa Nelly, check out this gorgeous homozygous black, homozygous polled purebred Secret Instinct bred heifer. This ET daughter out of Judd Ranch's phenomenal donor, JRI Ms Black Secret 214U88, would be a full sister to the breed leading AI sire JRI Secret Link 214D98. In turn, Ms Influential would be a maternal sister to JRI Marshall 214X2 who is a breed trait leader for calving ease, low birth weight, calving ease maternal, docility, and marbling. No doubt Ms Influential's brothers are writing breed history and I can also tell you that her sisters are doing the same as her oldest two sisters, 214Y98 and 214Z98, were both honored as Dam of Merit females in their first year of eligibility. 2019 EPDS: CED 15; BW -1.1; WW 52; YW 80; MK 12; TM 38 & FPI 67.53.

■ Pastured exposed to JRI Pop A Top 2 ETN (1391327). Examined safe in calf to Pop A Top 2 for an estimated early to mid-March baby. I remind you, Ms Influential's oldest two sisters are honored Dam of Merit females and she features two brothers that are breed leading AI sires. **Guaranteed black, homozygous polled purebred baby!**

HXC Conquest 4405P (Beckton Julian)
JRI Ms Conquest 054D
WCAT Mellssie 054Y (Hay Maker 511V)

Judd Ranch's Red Angus herd numbers are really small compared to their breed leading Number 1 Dam of Merit Gelbvieh and Balancer program, but I can tell you it is built around the same principles of unmatched fertility, producing ability, and teat/udder excellence. If you would please turn to page 33, both of those beauty's photographed are Judd Ranch bred purebred 1A Red Angus females and take special note of their natural fleshing ability and teat and udder excellence. This royally bred Redemption/ Conquest daughter nursed a first-calf heifer out of the calf raising machine Red Angus 054 cow family. Calf raising machine genetics run mighty deep in this pedigree as grandam 054Y possesses a 105 weaning weight ratio on her babies with a whopping 700 pound plus 205-day weight average. 2019 EPDS: CED 16; BW -4.9; WW 60; YW 101; MK 23; Stay 16; HB 187 & GM 51.

- AI'ed to 5L Defender 560-30Z (1549933) on 4-18, then pasture exposed to JRI Pop A Top 2 ETN (139127). Examined safe to her AI date. Due Jan. 27 to Defender. Judd Ranch calved the first Defender calves this past Spring and they are flat awesome. **Guaranteed purebred 1A Red Angus baby!**

JRI Ms Judd Cherokee 225A12
JRI Ms Judd Rob Roy 225T1 (Rob Roy 122K)

Judd Ranch's purebred 1A Red Angus females feature multi-generations of breed leading Red Angus AI sires in their pedigree just like their breed leading Gelbvieh and Balancer program. JRI Judd Legend 225F22's pedigree is flat loaded with breed leading AI sires in Brown Legend, Cherokee Canyon, Rob Roy, Dynamics 3820, Make My Day, and you'll be the beneficiary of these stacked breed leading AI sires. JRI Judd Legend 225F22 nursed a fertility-plus 367-day annual calving interval 5-year-old mama with a performance-plus 103 yearling weight ratios on her babies. 2019 EPDS: CED 13; BW -3.3; WW 49; YW 81; MK 24; Stay 15; HB 160 & GM 48.

- AI'ed to 5L Defender 560-30Z (1549933) on 4-20, then pasture exposed to JRI Pop A Top 2 ETN (1391327). Examined safe to her AI date. Due Jan. 29 to Defender. This mating will feature six stacked generations of breed leading AI sires and I remind you that Defender possesses top 4% Grid Master and top 1% marbling EPD strength. **Guaranteed purebred 1A Red Angus baby!**

26 JRI Judd Conquest 25F10

Purebred 1A Red Angus

HXC Ellie May MA638 (King Rob)
Glacier Logan 210 (Glacier Rebalas)
JRI Judd Logan 25X1
JRI Miss Cherokee Canyon 25P1 (Pay Day 25L)

JRI Judd Conquest 25F10 was twin born to another awesome heifer calf (25F15) and I can tell you that their 8-year-old dam, Judd Logan 25X1, definitely does not have a problem raising babies and getting pregnant. Let's touch on getting pregnant as 8-year-old mama 25X1 really excels in the fertility department with a 366-day annual calving interval. Just think if every 8-year-old female you owned only took one day off work each year. I might add that Judd Ranch has a 7-year-old full sister (25Z1) to this awesome bred heifer and 25Z1 is also one calf raising machine with a whopping 103 weaning weight ratio average on her 6 babies. 2019 EPDS: CED 12; BW -2.5; WW 56; YW 84; MK 20; Stay 17; HB 180 & GM 49.

- AI'ed to 5L Defender 560-30Z (1549933) on 4-18, then pasture exposed to JRI Pop A Top 2 ETN (1391327). Examined safe to her AI date. Due Jan. 27 to Defender. The Defender progeny are a hot commodity in the Red Angus breed which comes as no surprise as they are flat awesome and loaded with carcass merit as Defender features top 1% marbling EPD strength. **Guaranteed Purebred 1A Red Angus baby!**

JRI Ms Lucky Stars 214R78 ET (JRI Ms 214G6)

Oh my, you talk about an unbelievable set of Fall bred heifers (and/or Fall first-calf pairs) that'll sell on October 12th and what an awesome female to lead off with! JRI Ms In Excess 214E98's phenomenal ten-year-old dam, JRI Ms Black Secret 214U88, also happens to be one of Judd Ranch's all-time great donor females and yes, 214U88 has been honored numerous times as a Dam of Merit/Dam of Distinction female. JRI Ms In Excess 214E98 would be a full sister to the breed leading AI sire JRI Secret Link 214D98 and a maternal sister to the breed trait leader AI sire JRI Marshall 214X4. Now pencil-in phenomenal mama 214U88's ability to produce super daughters as her oldest two daughters, 214Y98 and 214Z98, were honored as Dam of Merit females in their first year of eligibility. 2019 EPDS: CED 15; BW -0.8; WW 54; YW 86; MK 13; TM 40 & FPI 68.01.

■ Pasture exposed to JRI Pop A Top 2 ETN (1391327). Examined safe in calf to the homozygous polled purebred Pop A Top clone, Pop A Top 2, for an estimated late September/early October baby. JRI Ms Excess 214E98 should be one awesome producer with the resume she possesses. **Guaranteed black, homozygous polled purebred baby!**

JRI Chocolate Chip 270T781 (JRI Ms 270M671)

Oh my, look at the whopping 848# 205-day weight on this superb Optimizer daughter. These kind of 205-day weights are the norm for JRI Ms Obvious Choice 270E388's super 7-year-old dam 270X881 as she's been honored as a Dam of Merit female in every year of eligibility (2015 thru 2019). Super 7-year-old mama 270X881 likes to produce awesome daughters and that sure is not a problem as her daughters are calf raising machines. Judd Ranch has three 270X881 daughters (270A981, 270B981, and 270C98) in their program and all three feature 100+ weaning weight ratios on their babies. (HP) 2019 EPDS: CED 10; BW 1.0; WW 72; YW 104; MK 19; TM 55 & FPI 76.46.

■ Pasture exposed to JRI Pop A Top 2 ETN (1391327). Examined safe in calf to the homozygous polled purebred Pop A top clone, Pop A Top 2, for an estimated late September baby. JRI Ms Obvious Choice 270E388 should be a calf raising machine with the incredible track record her mama and sisters possess. **Guaranteed black, polled purebred baby!**

JRI Turbo 285X14 (JRI Ms 285R94)
JRI Ms Charmed 743Z5
JRI Ms Secret Stash 743W4 (JRI Ms 743F)

This lovely black, homozygous polled purebred Secret Powers daughter nursed a 5-year-old calf raising machine mama that flat knows how to bring home the beef. JRI Ms Sweetie Pie 743E6's whopping 727# 205-day weight exemplifies mama's calf raising machine ability. Super mom JRI Ms Charmed 743Z5 does it every year as her Fall 2016 bull calf 743D6 pounded the actual weaning weight scales at 938 pounds. Fertility is also a mainstay in this 743 cow family as Ms Sweetie Pie's honored Dam of Distinction grandam 743F produced 12 babies in 13 years with a remarkable 366-day annual calving interval. 2019 EPDS: CED 16; BW -2.1; WW 53; YW 86; MK 18; TM 44 & FPI 68.81.

■ Pasture exposed to JRI Pop A Top 2 ETN (1391327). Examined safe in calf to Pop A Top 2 for an estimated late September baby. JRI Ms Sweetie Pie 743E6 should be a calf raising machine with the impeccable track record her mama and grandam possess. **Guaranteed homozygous polled purebred baby!**

JRI Ms Extra Sweet 270M83 (JRI Ms 270K73)

Man, oh man, you talk about a proven producer that knows how to put money in the bank and bring home the beef. JRI Ms Hot Shot 270Y24's powerhouse sons have averaged $6,083 in the annual bull sale and the foursome of powerhouse bulls have posted a scalebusting 936 pounds average on actual weaning weight. Scalebusting producing ability runs mighty deep in this calf raising machine Judd Ranch 270 cow family and to date, fifty-one 270 cow family daughters have been honored as Dam of Merit females. 2019 EPDS: CED 15; BW -0.9; WW 60; YW 86; MK 16; TM 46 & FPI 75.35.

■ Pastured exposed to JRI Secret Link 214D98 (1351066). Examined safe in calf to the homozygous black, homozygous polled purebred AI sire Secret Link for an estimated mid-November baby. Secret Link was a member of Judd Ranch's 2017 National Champion Pen of 5 Purebred Gelbvieh Bulls and you bet, Secret Link features an elite honored Dam of Distinction dam. **Guaranteed black, homozygous polled baby!**

Mytty In Focus (Countess 906)
JRI Ms Maxie 254Z29
JRI Ms Lynx 254X96 (JRI Ms 254S86)

This homozygous black, homozygous polled Secret Instinct daughter stems from the calf raising machine Judd Ranch 254 cow family that already features fifty-four honored Dam of Merit females. Speaking of Dams of Merit, this first-calf heifer's dam 254Z29 and grandams' 254X96, 254S86, 254M76, 254E52, and 254C4 have all been honored as Dam of Merit females. Dam of Merit females have the ability to maintain short gestation while still bringing home the scalebusters every year. You can check out JRI Ms In Harmony 254D391's honored Dam of Merit grandam 254M76 photographed on page 8 above Lot 17 and wowsa, take special note of the scalebusting bull calf that she's nursing. 2019 EPDS: CED 18; BW -1.7; WW 64; YW 100; MK 12; TM 44 & FPI 77.16.

■ Pasture exposed to JRI Real McCoy 270E23 (1400988). Examined safe in calf to Real McCoy for an estimated late October baby. Real McCoy was Judd Ranch's pick of the Fall 2017 bull calf crop and this meatwagon features an actual weaning weight of 1,105 pounds off his 7-year-old Dam of Distinction dam. **Guaranteed black, homozygous polled baby!**

JRI Ms Bittersweet 35S92 (JRI Ms 35P82)

This big-time producer has been putting cash in the bank for Judd Ranch and she produces calf raising machine daughters and her only son was a meat machine. JRI Ms Harmony 35A52's first baby 35C25 was one awesome heifer calf and today 35C25 is a big-time producer as her son 35F25 will sell in next Spring's bull sale and 35F25 hammered the 205-day weight scales at 837 pounds. Harmony's second baby 35D62 sold in the 2018 bull sale for $5,000 and that beefpacking machine posted a whopping 748# 205-day weight. And no doubt, I don't want to omit Harmony's third baby 35E62 who ranks among the very best of the bred heifers Judd Ranch will calve this Fall and 35E62 features a 72# birth weight with a ripping 688# 205-day weight. 2019 EPDS: CED 12; BW 0.5; WW 48; YW 73; MK 16; TM 40 & FPI 59.38.

■ Pasture exposed to JRI Secret Powers 254C821 (1313089). Examined safe in calf to Secret Powers for an estimated early to mid-November baby. The Secret Power's progeny are phenomenal which comes as no surprise as his dam 254Z72 has been honored as a Dam of Merit female in every year of eligibility (2016 thru 2019). **Guaranteed black, homozygous polled purebred baby!**

JRI Ms Equalizer 23X4 (Ms Lucky 2 3L)

Several producers will pass on JRI Ms Razzle Dazzle 23X6 because of her age and I can tell you that would be a big mistake if you like to put cash in the bank. Razzle Dazzle possesses a fertility-plus 367-day annual calving interval with scalebusting 105 weaning weight and 105 yearling weight ratios on her babies. Razzle Dazzle's first son 23Z76 sold for $7,250 and you talk about a 78# birth weight meatwagon. Her second son 23C70 sold for $9,000 and you bet, 23C70 was another meatwagon. Her third son 23E37 sold in last Spring's bull sale for $8,500 and man oh man, 23E37 was another meatwagon. Tally those figures up and you're looking at an $8,250 average on Razzle Dazzle's three sons. (DC) 2019 EPDS: CED 7; BW 3.9; WW 59; YW 86; MK 20; TM 49 & FPI 63.15.

■ Pasture exposed to JRI Secret Link 214D98 (1351066). Examined safe in calf to Secret Link for an estimated early to mid-October baby. Here's hoping that Razzle Dazzle is carrying another scalebusting son for your program as her meatwagon sons have averaged $8,250. **Guaranteed homozygous polled purebred baby!**

JRI Ms Bobbie 270L732 (JRI Ms 270G731)

Producers, fertility is way overlooked and profitability in the beef industry all starts in the fertility department. It's been documented that fertility is 12 times more economically important than growth, carcass, and etc. At Judd Ranch you're buying into the breeds Number 1 Dam of Merit program for 20 of the past 22 years (1998-2019). Dam of Merit females are the breed's unmatched fertility females. JRI Ms Capitol Hill 270F28K's 6-year-old dam, 270Z83K, definitely excels in the fertility department with a super 364-day annual calving interval. Fertility runs mighty deep in this pedigree as Ms Capitol Hill's grandams' 270L732, 270E63, and 270Z5 were honored as fertility-plus/ calf raising machine Dam of Merit females. 2019 EPDS: CED 13; BW -0.4; WW 57; YW 78; MK 25; TM 53 & FPI 66.26.

JRI Ms Secret Instinct 285Z33K
JRI Morgans Direction 285U23K (JRI Ms 285S9K)

JRI Ms Patton 285F43K nursed a super 6-year-old Secret Instinct daughter who is a fertile machine with a 358-day annual calving interval. You bet, super fertile mama 285Z33K flat strolls home every year with an awesome baby. Super mom 285Z33K's Fall 2015 son 285C44K sold in the 2017 bull sale for $6,000 and that meatwagon featured an 82-pound birth weight, whopping 820-pound 205-day weight, with a performance plus 1,200-pound yearling weight. Super mom 285Z33K's remarkable 358 day annual calving interval comes as no surprise as her dam 285U23K and grandam 285N84K were both fertile machine honored Dam of Merit females. 2019 EPDS: CED 15; BW .0; WW 65; YW 93; MK 22; TM 54 & FPI 69.86.

JRI Ms Proud Mary 254D725 ET
JRI Ms Cutie Pie 254S62 (JRI Ms 254E52)

JRI Ms Secret Jewel 254G824 stems from the prolific Judd Ranch 254 cow family that already features sixty-five honored Dam of Merit daughters. A huge percentage of those honored Dam of Merit 254 cow family daughters traces back to Secret Jewel's incredible donor grandams' 254E52 and 254C4. These two incredible donor females were both honored four consecutive years as Dams of Merit and four consecutive years as elite Dam of Distinction females. Very few females can maintain eight consecutive years of Dam of Merit/ Dam of Distinction honors and these incredible donor females produced 65 natural and ET born calves for Judd Ranch. With Secret Jewel's rich family heritage, she should be a super producer for your program. (RC) 2019 EPDS: CED 21; BW -4.6; WW 46; YW 61; MK 19; TM 40 & FPI 67.74.

JRI Ms Serenity 253Y93 (JRI Ms 253R83)

JRI Ms Martina 253G33 rounds out this year's Cow Power Female sale catalog and I can guarantee you that Martina will not be the last female sold on October 12th for two reasons. Number one, we do not sell in catalog order and number two, Martina is a ripping good heifer calf. Martina nursed a first-calf Secret Instinct daughter with a picture-perfect teat and udder and note, Martina's awesome 79# birth weight coupled with a whopping 670# 205-day weight. Widespread birth to growth is the norm for this calf raising machine Judd Ranch 253 cow family and rest assured, the fertility is bred-in as Martina's grandam 253M72 was honored five consecutive years as a Dam of Merit female. 2019 EPDS: CED 18; BW -2.5; WW 54; YW 83; MK 15; TM 41 & FPI 74.45.

Cattle Producers,

Judd Ranch is continually striving to produce genetics that will add more value to your program and I don't know any trait in the registered cattle industry that will give you more return on your investiment than homozygous polled genetics. Cattlemen's Connection AI semen sales feature 100+ Gelbvieh and Balancer AI sires and 95% plus of all sales are homozygous polled sires. On Ocober 12th, 181 of the 200 females selling are homozygous polled and every bred homozygous polled female is carrying a guaranteed homozygous polled baby.

Put a Judd Ranch homozygous polled female to work in your herd and reap the homozygous polled dividends!

JRI Ms Pld Preference 285A5 (JRI Ms 285Y4)

- This Judd Ranch breed leading meat machine is deceased but wow he left Judd Ranch with an unbelievable set of calf raising machine daughters with unparalleled teat/udder quality. Extra Exposure's low birth/super growth beefpacking machine sons have been the standard at Judd Ranch for the last decade and they will continue the tradition with the unsurpassed beef, butt, guts and nuts they possess. Extra Exposure's super dam, JRI Ms Polled Sweetie 285C6 (deceased) was one of Judd Ranch's top donor females and oh man, did Polled Sweetie feature an incredible teat/udder system and you can view a photograph of Polled Sweetie photographed at 9 years of age on page 16 above lot 51. Extra Exposure is a current breed trait leader for stayability, yield grade, lean fat and ribeye area.

JRI Ms Expresso 285Y293
JRI Ms Stacked 285R993 ET (JRI Ms 285L89)

- JRI Secret Component 285A393 was Judd Ranch's pick of the spring 2013 Balancer calf crop and oh man, check out Secret Component's incredible stats: 89# birth weight, 799# 205 day weight, 1,431# yearling weight, 17.8 square inch yearling ribeye with a super size 45.3 centimeter yearling scrotal. Judd Ranch demands that all retained herdsires feature incredible dams and you can check out Secret Component's awesome first calf dam JRI 285Y293 photographed on page 7 above Lot 13 and you bet, super mom features teat/udder excellence. Personally, I called super mom the best first calf Balancer heifer on the ranch in 2013 and I think you will agree after viewing her photograph on page 7.

FHG Flying H Extra 150D (Lady 50A)
JRI Ms Extra Sugar 254N72 ET
JRI Ms Pld Grand Impact 254J62 (JRI Ms 254E52)

- JRI Top Gun 254X822 is a full brother to JRI Secret Instinct 254U83 (deceased) and man oh man, these calving ease/powerhouse full brothers produce fabulous sons and daughters. To date, 311 calving ease/powerhouse Secret Instinct sons have averaged $6,675 and 73 calving ease/powerhouse Top Gun sons have averaged $5,475. Now let's touch on the daughter side as 114 sons out of Secret Instinct daughters have averaged $5,948 and the sons out of Top Gun daughters have averaged $5,475. Producing calf raising machine daughters comes as no surprise as Top Gun & Secret Instinct's dam 254N72 was honored five continuous years as a Dam of Merit female and at 14 years and 10 months of age 254N72's fall 2017 son weaned off with an actual 1,075# weaning weight.

JRI Cherokee Canyon 176S72 (JRI Ms 176P6)
JRI Maxxed Out 140W32
JRI Ms Molly 140P52 (JRI Ms 140K52)

- JRI Secret Sensation 140A43 was Dave Judd's pick of the fall 2013 Gelbvieh bull calves and wow, this calving ease/super stud posted some awesome stats: 73# birth weight (top 4% calving ease EPD strength), 787# 205 day weight, 1,060# actual weaning weight, 1,318# yearling weight, 16.9 square inch yearling ribeye with a 43.4 centimeter yearling scrotal. Man oh man, that's an awesome birth to growth spread and impressive spreads are a common occurrence with Secret Sensation's incredible honored Dam of Merit dam as her five natural born sons to date have posted the following averages: 75# birth weight, 756# 205 day weight, 1,015# actual weaning weight, 1,252# yearling weight with a 41.4 cm. yearling scrotal average. I might add, Secret Sensation's incredible dam JRI Maxxed Out 140W32 is one of Judd Ranch's elite donor females.

JUDD RANCH REFERENCE SIRES

JRI Marshall 214X2

JRI Reference Sire **Black, Homozygous Polled (50%) Balancer**

JRI Marshall 214X2

JRI Ms Black Secret 214U88
JRI Ms Lucky Star 214R78 ET (JRI Ms 214G6)

This breed leading powerhouse homozygous polled AI sire has worked fabulous at Judd Ranch in producing extreme calving ease coupled with performance plus growth. JRI Marshall 214X2 nursed a fertility-plus first calf heifer and I'd call his mama a calf raising machine as Marshall weaned off at 82% of her body weight and that's flat called Judd Ranch Cow Power. Marshall posted an awesome low birth to yearling growth spread with his calving ease deluxe 79 pound birth weight coupled with a scalebusting 1,273 pound yearling weight. Marshall's calf raising machine dam was honored as a 2013 Dam of Merit female in her first year of eligibility and as an elite 2016 Dam of Distinction in her first year of eligibility. Pencil-in Marshall as a breed trait leader for calving ease, low birth weight, calving ease maternal, docility and marbling.

MCCA Capitol Hill 516C

SAV Brilliance 8077
SAV Blackcap May 5270 (Traveler)
BCC Bushwacker 41-93 (P. Ambush 2172)
MCCA Yasmine
ADDG Tequila Rose (Extra Rose)

Judd Ranch purchased Capitol Hill in the spring of 2017 and you talk about a calving ease/meat machine that features unmatched phenotype and genotype. Capitol Hill possesses that Judd Ranch demanded low birth, super growth spread and most importantly fertility and maternal strength. Capitol Hill definitely features a calf raising machine/fertility-plus honored Dam of Merit mama with teat/udder excellence and note Capitol Hill's widespread low birth (84 pounds) to superb growth spread (1,274 pound yearling weight). Capitol Hill is producing extreme calving ease as to date 217 Capitol Hill babies have only averaged 77 pounds at birth and man oh man, they are a phenomenal sire group.

JRI Ms Grand Canyon 282S2
JRI Ms Sneak A Peek 282P93 (JRI Ms 282G83)

- Top Producer's progeny are truly phenomenal and it comes as no surprise with his genetic makeup. Top Producer's Cherokee Canyon dam is one calf raising machine with unbelievable natural fleshing ability and oh man, she possesses a picture perfect teat/udder system. Now pencil-in Top Producer's sire Pop A Top and cattlemen, I'm here to tell you the Pop A Top daughters are calf raising machines with unbelievable fertility. Top Producer sons have averaged $6,767 and wow, they feature added carcass value which comes as no surprise as Top Producer is a breed trait leader for marbling. This photo was shot at 14 months of age and most mature bulls don't possess the incredible beef, muscle and mass like this beef machine. Deceased…all semen sales are closed.
