Welcome

Hereford cattle continue to be in demand from coast to coast. Herefords continue to command top dollar whether it be range bulls or show heifers. With that said don't miss an opportunity on the West Coast! We invite you to attend the 31st Annual California-Nevada Hereford Association Hereford Classic Sale. Once again this event will be held at the Placer County Fairgrounds in Roseville, California.

I had the opportunity and pleasure to attend the record breaking Junior National Hereford Expo in Madison, Wisconsin this past July. The enthusiasm along with the quality of cattle that I saw at this amazing event was impressive to say the least. Our progressive consignors on the west coast want to be at the forefront of this demand and have brought you some of the best in both phenotype and genotype. If you are looking for current progressive genetics in heifers that can bring home the purple in the show ring and then go make productive cows, look no further than this sale. We have polled and horned genetics that will compete with any offered in the country. Consignments include pedigrees and matings from some of the most popular and legendary cattle in the breed both polled and horned. We will have 40 + lots that will include heifers, bred heifers, fancy show steers and embryo packages. Heifers and embryos sired by the leading sires in the country Catapult 109, Outcross, Hometown 10Y, R Legend 5434, 88x, 719T, Times a Wastin, About Time, Chae Mason, Cracker Jack, Churchill Stud 3134A. Just like in the past the QUALITY will be at this sale. A heifer from last year's offering was named Grand Champion Hereford Female at the Oregon State Fair!!

Even the most discriminating breeders will find show prospects and breeding tools to move your herd forward. In addition, those just starting out in this great breed will find opportunity to own females that will provide a solid foundation for a progressive herd. For 30 years integrity has been the cornerstone of this event. That has not changed and you can buy with total confidence here. Our breeders bring you only their best and they fully stand behind what they offer. Juniors looking for a show heifer that will make her way to the backdrop or a winning steer will certainly be able to find many options at this sale. All straight-bred Hereford steers will be registered with AHA and meet California Junior Livestock Association requirements. Another opportunity for juniors looking forward there will be a futurity class for all females bought in this sale by juniors at the California-Nevada Junior Field Day in Turlock in May 2017.

Any age show age eligible heifer or steer purchased by a junior and registered to a junior is eligible to enter our Junior Jackpot Show on Sunday, Nov. 20, 2016. Those sale animals automatically get \$50 in premium money no matter where they place. In addition, we offer \$1,000 in added prize money to be split between the top three "highest placing sale heifers" in the Junior Jackpot show. Great show for the first-time showman as well as those seasoned on the halter. We look forward to seeing you at this grand Hereford Weekend. If you have questions or need additional information on any of the offering, please contact our Sale Chairman, B.J. Macfarlane at 539-518-1024 or bjherefords@yahoo.com or our association secretary, Shelley Truelock, at 209-988-8932 or dstruelock@comcast.net.

Terms & Conditions of Sale

- 1. BIDDING** — Animals will be sold to the highest bidder. The auctioneer will settle any dispute as to bids and may, at his discretion, declare all bids off and resell the animal in question.
- 2. TERMS** — Terms of the sale are cash (U.S. Funds) in all cases. All sales are cash at the time of sale, unless other arrangements are made with the sale management prior to the sale.
- 3. HANDLING** — All animals will become the responsibility of the purchaser from the time declared sold in the ring.
- 4. GUARANTEES** — The cattle offered in this sale are sold under the Terms and Guarantees recommended by the American Hereford Association.
- 5. ANNOUNCEMENTS** — This catalog goes to print a considerable time ahead of sale. There will be updates made relative to breeding dates, new calves, etc. That information will be detailed on a supplement sheet and takes precedence over catalog information. At the same time, any and all announcements made from the auction block or sale ring take precedence over the printed information in this catalog or on the supplement sheet.
- 6. REGISTRATION CERTIFICATES** — All cattle will be registered with the American Hereford Association and proper certificates will be furnished. Transfer of ownership will be completed by the seller. Multiple registration certificates are the responsibility of the buyer.
- 7. LIABILITY** — The California-Nevada Hereford Association (CNHA) and the Placer County Fairgrounds are acting as medians only between the buyer and the seller and are not liable in any way whatsoever for any representation made by the seller.
- 8.** All persons who attend any portion of this event do so of their own responsibility.
- 9. ANY FEMALE BRED TO AN AI SIRE — AI CERTIFICATES WILL BE THE RESPONSIBILITY OF THE BUYER.**
- 10.** CNHA does not know the genetic background of every animal in the sale. If prospective buyers have any questions they should contact the American Hereford Association, Kansas City, Mo. CNHA cannot guarantee the genetic background of sale cattle.
- 11.** All cattle selling will have all testing done for shipment to Nevada, Oregon, Idaho and Washington. If animals are purchased to go to other states we will do our best to facilitate getting any additional testing done. The cost of health papers, if needed, will be the responsibility of the buyer unless the seller makes other arrangements with the buyer.

- This young female is full of class. Rose Gold descends from a long line of powerful females. Her grandmother was champion at Reno, her mother won several shows and her maternal sister was champion Hereford female at the California State Fair in both open and junior divisions. This March combines the style and balance of her sire with the volume and mass of her dam. If you are looking for a heifer that is loaded with potential, look up Rose Gold on sale day. She will leave you with a lasting impression of wanting to take her home.

- What a unification we have here! Scarlet is a dynamic female that offers an outstanding set of EPDs with a desirable phenotype. This heifer has an outstanding spread from birth to yearling. She is also a stout made female that carries mass down her top, along with being bold sprung. Scarlet is the type of heifer that all of us would like to have in our front pasture. She combines 719T with 88X, what more would you want. Take Scarlet home and begin a legacy using her as your matriarch cornerstone.

- Cutting edge phenotype, pedigree and EPDs. Pedigree is loaded with many of the most popular maternal and carcass sires in the breed. Deep ribbed, sound and structurally correct while maintaining that brood cow look so important today. Her weaning weight of 740 lb. ranks her second in our 2016 heifer calf crop. 605D is a showing quality heifer that is destined to become a highly productive, donor quality brood cow. She is entered in the National Hereford Show in Reno.
