

36th Annual
COW POWER
FEMALE SALE

October 10, 2026
12 Noon
Judd Ranch
Pomona, Kansas

Judd Ranch, Inc.

Cow Power 36 Female Sale

GENERAL INFORMATION

FREE TRUCKING....When your purchases total \$30,000 or more, JRI will truck your females FREE within the continental United States and JRI delivers directly to your door, not to some central location miles away from you. \$30,000 or more going out of the 48 states will be trucked free of charge to the border.

TRAVEL....Judd Ranch is located 1½ hours from Kansas City MCI Airport. Private landing at Ottawa Municipal Airport located three miles south of Ottawa and 15 minutes from Judd Ranch, (785) 242-5310.

RANCH LOCATION...2 miles west of Pomona, Ks. on Hwy K-68, or 12 miles west of Ottawa, Kansas on Hwy. K-68.

JOIN US...Friday evening Oct. 9 for a customer appreciation gathering at the ranch. View the cattle at your leisure, enjoy snacks and beverage, and meet up with fellow producers. Sale day we'll start serving complimentary lunch at 11:00.

ACCOMMODATIONS....It's a busy weekend in Ottawa so please call before Sept. 26 and ask for Judd Ranch Reserved Rooms.

Sale Motel Headquarters
Holiday Inn Express & Suites
785-521-7009 Option 0
2140 S. King Street, Ottawa, KS

Alternative Accommodations
Best Western- Ottawa (785) 242-2224
Super 8 - Ottawa (785) 242-5551
Comfort Inn - Ottawa (785) 242-6150

INSURANCE...Buyers, to protect your buying interest, shipping insurance is offered at settlement time. On our Free Delivery on \$30,000 or more we encourage you to purchase insurance. Our haulers have insurance but this insurance only covers the commercial value of your animals. Shipping insurance only covers death of the animal but given the minimal cost of such insurance we'd encourage all buyers to purchase it.

SPECIAL NOTE....All bred females have been pregnancy tested and sell as guaranteed pregnant. Plus, any animals DNA tested for homozygous black that are known red carriers will be denoted with (RC) and any animals DNA tested for homozygous polled and that prove to be heterozygous polled will be noted with (HP).

SIGHT UNSEEN PURCHASES....If you can't attend the sale and you want to buy, call: Roger Gatz (800) 743-0026 about our "Guaranteed to Please" Purchasing Agreement. Annually 25% of our gross sales are purchased through this time and money saving program. All females are guaranteed to meet your approval or you don't own them.

TERMS.... All cattle sell under the suggested Terms & Conditions of the American Gelbvieh Association.

\$1200 JUDGING CONTEST... Again this year the adults can earn sale credit. Three divisions: Adult, 19 years and older, Senior, 13-18 years of age, junior, 12 years and under. Placings and pay-off credit for each division...\$250 First and \$150 second. Credit applicable to all animals in the sale. Contest starts at 9 a.m. sale day.

Dear Cattle Producers:

We all hope you can join us for a fun weekend at the ranch which will include the Rocking M Ranch wagon rides/ranch tours, customer appreciation dinner and party on Friday, October 9, judging contest/sale morning and of course our much anticipated 36th Annual Cow Power Female Sale to be held October 10th at noon.

I would be surprised if you could find a harder working ranch family than the Judd's. This includes Dave, Cindy, Nick, Ginger, Brent, Ashley and right on down the line through the grandkids, who are such incredible help with the daily ranch chores. Dave and his family have set the bar high, from taking and recording accurate weights and data to managing and keeping herd health a top priority. When you combine Dave Judd's honesty and extensive livestock knowledge, Judd Ranch becomes the complete program which maintains its emphasis on superior females or Cow Power. Last spring Judd Ranch's Bull Sale featured 327 bulls with a 82-pound average birth weight/ 895-pound actual weaning weight average. The Judd Ranch program has been built around "Fertility and Pounds Produced Per Cows Exposed" and is why Judd Ranch has been honored as the #1 Dam of Merit program in the Gelbvieh breed for twenty-one of the past twenty-eight years ('98 through '25). EPDs are an estimation of how an animal should perform, but Fertility and Pounds are actual data that will keep you in the cattle business.

On October 10th Judd Ranch's Cow Power sale offering will feature 158 homozygous polled females and Gelbvieh breeders; what convenience trait will give you a better return on your investment than homozygous polled genetics? Our Cattlemen's Connection AI semen sales feature over 100 Gelbvieh and Balancer A.I. sires and for us, over 99% of all sales are homozygous polled sires. Every homozygous polled bred female in the upcoming Cow Power sale is safe in calf to a homozygous polled sire and you will be the beneficiary when you start selling these homozygous polled progeny. Now let's key on the Cow Power selling as 100% of the sale offering of Gelbvieh and Balancer females feature Judd Ranch Dam of Merit cow families. Also please consider the fact that 99% of the sale offering is sired by breed-leading AI sires. Affordability is another reason to join us on October 10th, as in the past twenty-seven "Cow Power" Female Sales have only averaged \$2,984 on 3,368 head and folks, the last twenty-seven Judd Ranch bull sales have averaged \$5,527 on 6,486 head. It is easy to see the females have averaged just 54% of the average price of the bulls-their very offspring.

As always, please feel free to give me a call toll-free at 1-800-743-0026. If you have questions about any female in this catalog or would like assistance in selecting females for your program. In case you are unable to attend the sale, I will be happy to purchase a female(s) for you within your price range, and we will guarantee your satisfaction with the animal(s) selected, with no fee for order buying. Over the years, 25% of the Judd Ranch gross sales have been purchased through this time and money saving program, and you pay only the bid price, just as if you were bidding yourself. You can reach me at 1-800-743-0026 until October 6, after that date, please call my cell phone 785/547-6262 during the day, as I will be at Judd Ranch. In the evenings, please call my cell phone 785/547-6262 or the motel headquarters, Holiday Inn Express and Suites, Ottawa, KS 785/521-7009 Option 0. (The rooms are blocked until September 26.)

Roger Gatz

Cattlemen's Connection

The Judd Family

Dear Gelbvieh friends,

Welcome to Judd Ranch! Our entire family would like to invite you to join us at the ranch for our annual Cow Power Female Sale events on Friday, October 9 and Saturday, October 10. We are grateful you are looking through our catalog.

The 36th annual Cow Power Female Sale is right around the corner, and Cindy and I look forward to it every year. We feel humbled that many of our repeat customers tell us they also look forward to our Cow Power Female Sale and treat it as a mini vacation. The Judd crew would also like to extend a special invitation to any new producers joining us this year. Many of our repeat customers started by attending a sale or two before making a purchase. We hope you can make it to the ranch on Friday, October 9th to look over the sale offering, meet our family, have your questions answered and make some new Gelbvieh friends. We feel there is something for everyone, as we have assembled one of our widest selections of females ever offered.

You can depend on Judd Ranch to do the following: continue to produce Gelbvieh, Balancer and Red Angus cattle in the complete package of calving ease, fertility, growth, and carcass. We have stringent requirements our females must meet, a female must calve by two years of age, keep a tight calving interval, wean off an above average calf, maintain her body condition and a high-quality udder. Thanks to our "Cow Power" females, Judd Ranch has been named the #1 Breeder and Owner of Dam of Merit females for twenty-one of the past twenty-eight years ('98 thru '25),

Sale day will begin with our popular judging contest on sale morning. We will be offering both adult and junior judging contests. There will be three divisions: adults, senior (13-18 years) and junior (for the 12 and under set). The first place in each division will receive \$250 sale credit and the second place will receive \$150 sale credit to be used exclusively in the 2026 female sale. Plus, other cool prizes.

The events we have planned for you include:

Thursday, October 8th Sale females ready for viewing

Friday, October 9th

8:00 a.m. View sale cattle
 Afternoon Team & wagon rides courtesy of Rocking M (and also Saturday morning)
 6:00 p.m. Customer Appreciation Dinner & Party

Saturday, October 10th

9:00-10:00 a.m. Judging Contest (Registration begins at 8:00)
 11:00 a.m. Complimentary lunch served
 12:00 p.m. Noon Cow Power 36th Female Sale (online bidding available at LiveAuction.tv, Superior Livestock.com & remote bidding via teleconference line)

Cindy and I love to call Judd Ranch home. We enjoy working and living around our dedicated sons and their families and are grateful to them daily. We could not do it without them. Please make plans to join us at Judd Ranch October 9th and 10th for a fall weekend in the beautiful Flint Hills of Kansas. Cindy and I are especially pleased and proud to be able to work with our grandchildren daily: Lily (22), Levi (19), Lacy (16), Oliver (13) and our youngest Avery Jo (soon to be 10).

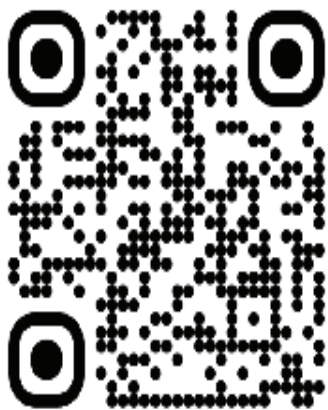

Cindy and I would like to thank our many previous customers for their continued support. We are humbled by the faith and trust they have placed in our cattle and in us.

Sincerely,

Dave, Cindy & Crew

Another Option...Use Our Sale Day Conference Line

Of course, our preference is to have you join us in Pomona on October 10, but we understand traveling is not an option for all of our customers. Along with being able to watch and bid on LiveAuctions.tv & Superior Livestock.com, we will also have a Sale Day Conference line that customers can call in on and bid.

1. If you wish to bid by phone, please call Ashley Judd at 785-248-6005 or Ginger Judd 785-229-9266, so we can assign you a bidder number and give you the sale day conference line number. We recommend you call at least by Friday, October 9 to get your bidder number. In case of an emergency, Saturday morning requests can be accommodated.
2. On sale day, call the conference line number. Sale starts at 12:00 (noon) Central Time. We will have a representative standing by to assist you on the conference line, starting approximately 15 minutes before the sale starts.
3. Once you are on the line, state your name and bidder number to the Judd Ranch representative so that we know you are on the line.
4. When you are ready to bid, say "yes" and your bidder number. For example, if your bidder number is 230, you will say "yes, bidder 230" when you are wanting to bid.
5. If you are the winning bidder, our representative will tell you that you bought the animal, and you will be contacted by Judd Ranch after the sale regarding payment, animal pick up or delivery.
6. If you would like to mute your line, dial *6. To unmute your line, dial *6 again.

Spring Bred Heifers

9 Year Old Mama 1020# Actual Weaning Weight Bull Calf

1 JRI Ms Blk Patent 270N855 Black Homozygous Polled Purebred

1629589 Tattoo: 270N855 BD: 1/23/25 BW: 83 WW: 645

JRI Pop A Top 197T83 (JRI Ms 197R72)
JRI General Patton 213B97 ET
JRI Ms Extravagant 213T87 (JRI Ms 213R77)
JRI Secret Sensation 140A43 (JRI Ms 140W32)
JRI Ms Starfire 270H855
JRI Ms Secret Proposal 270X755 ET (JRI Ms 270K75)

Oh man, check out the resume on this awesome black, homozygous polled purebred General Patton spring-bred heifer. JRI Ms Blk Patent 270N855's 6-year-old fertility-plus (365-day annual calving interval) dam, JRI Ms Starfire 270H855 produces phenomenal daughters. One such Ms Starfire daughter would be her 4th calf oldest daughter, JRI Ms Picture Perfect 270K955 (full sister to Blk Patent) who possesses a beautiful teat/udder system, fertility-plus 355-day annual calving interval, with a performance-plus 111 weaning weight and 107 yearling weight ratios on her four calves. Another Ms Starfire daughter would be JRI Ms Hidden Gem 270L955 (full sister to Ms Blk Patent) who possesses a 98 teat/udder score, performance-plus 109 weaning weight, and 108 yearling weight ratios on her calves. Rest assured, fertility runs mighty deep as Ms Blk Patent also features two Dam of Merit/ Dam of Distinction honored grandams. 2026 EPDS: CED 14; BW -0.7; WW 70; YW 101; MK 22 & TM 57.

■ AI'd to JRI Optimizer 148A24 (1266738) on 4-18, then pasture exposed to JRI Rawhide 253L384 (1571042). Examined safe in calf to Optimizer for a January 27th baby. This mating offers you an unmatched combo of linebred Dam of Merit/ Dam of Distinction genetics on both sides of the pedigree and let me remind you, Optimizer's incredible 14-year-old dam weaned off her bull calf at an actual 1,100 pounds. **Guaranteed black, homozygous polled Balancer baby!**

2 JRI Ms Justified 285N349 Homo. Black Homo. Polled (53.2%) Balancer

1629662 Tattoo: 285N349 BD: 1/16/25 BW: 64 WW: 661

JRI Relentless 170H281 (JRI Ms 170D81)
JRI Rawhide 253L384
JRI Ms Perfect Match 253H384 ET (JRI Ms 253W28)
Basin Payweight 1682 (Lass 7017)
JRI Ms Counter Balance 285J249
JRI Ms Top Performer 285B49 (JRI Ms 285S992)

Oh man, you talk about a beautiful homozygous black, homozygous polled Rawhide daughter who stems from the fertility-plus/ calf raising machine Judd Ranch 285 cow family that features a record 65 Dam of Merit honored daughters. JRI Ms Justified 285N349's third-calf dam, JRI Ms Counter Balance 285J249 carries on the 285 cow family fertility tradition as Ms Counter Balancer possesses a mighty profitable 355-day annual calving interval and she sports an unmatched 99 teat/udder score. Teat/udder excellence runs mighty deep in Ms Justified's genetic makeup as you can flip to page 30 and view her 9-year-old grandam, photographed above Lot 132 and note her teat/udder excellence. Rest assured, fertility and longevity are bred-in Ms Justified as her grandam, JRI Ms 285S992 was honored for 10 consecutive years as a DOM/ DOD female and she produced scalebusters for 12 years. 2026 EPDS: CED 21; BW -4.4; WW 71; YW 106; MK 25 & TM 60.

■ AI'd to JRI Priority Male 253L489 ET (1573139) on 4-19, then pasture exposed to JRI Bandito 253H32 (1477865). Examined safe in calf to Priority Male for a January 28th baby. Priority Male progeny are phenomenal which comes as no surprise as he pounded the actual weaning weight scales at 1,010 pounds and you bet, Priority Male features a Dam of Merit honored dam and three DOM honored grandams. **Guaranteed black, homozygous polled Balancer baby!**

Whopping 929# Actual Weaning Weight Average on Her 5 Sons

3 JRI Ms Radiance 285N33 Homo. Black Homo. Polled (68.8%) Balancer

1629658 Tattoo: 285N33 BD: 2/4/25 BW: 96 WW: 709

SAV Resource 1441 (Blackcap May 4136)
JRI Relentless 170H281
JRI Ms High Profile 170D81 (JRI Ms 170A71)
JRI In Pursuit 017B50 (JRI Ms 017X10)
JRI Ms Inspiration 285E53
JRI Ms Elsie 285Y13 (JRI Ms 285U93)

JRI Ms Radiance 285N33 would be the natural born daughter out of JRI Ms Inspiration 285E53, Judd Ranch's incredible 8-year-old donor female who possesses an unmatched 99 teat/udder score and note Ms Radiance's performance-plus 709# 205-day weight growth spread. I can tell you, Ms Inspiration injects performance in all her babies as six ET full brothers to Ms Radiance sold in the spring bull sale and producers, those meat machines featured a scalebusting 962# actual weaning weight average. Teat/udder excellence also runs mighty deep as you can view Ms Radiance's grandam photographed at 9 years of age on page 30, above Lot 132 and note her superior teat/udder system. P.S. Two ET full sisters to Ms Radiance sell as Lots 21 & 27 and these beauties are AI'd safe in calf to Optimizer. 2026 EPDS: CED 9; BW 1.7; WW 86; YW 130; MK 15 & TM 59.

■ AI'd to JRI Optimizer 148A24 (1266738) on 4-18. Examined safe in calf to Optimizer for a January 27th baby. Gather up these Optimizer matings as semen sales are closed and Optimizer progeny are always hot commodities in the annual Judd Ranch bull and female sales. Optimizer's popularity comes as no surprise as the calving ease breed trait leader features 6 Dam of Merit honored grandams and weaned off his first-calf dam at 80.2% of her body weight and his 14-year-old dam weaned off a scalebusting 1,100# actual weaning weight bull calf. **Guaranteed homozygous black, homozygous polled Balancer baby!**

4 JRI Touch Of Class 140N32 Black Homozygous Polled (68.8%) Balancer

1629340 Tattoo: 140N32 BD: 2/14/25 BW: 88 WW: 763

JRI General Patton 213B97 (JRI Ms 213T87)
JRI Ms Peaches N Cream 140J42
JRI Ms Maxxed Out 140W32 (JRI Ms 140P52)

Oh man, you talk about an incredible black, homozygous polled spring-bred Relentless daughter who sells well equipped with all the profitable traits. JRI Touch of Class 140N32 pounded the 205-day weight scales with a performance-plus 763 pounds. Touch of Class's phenomenal growth spread comes as no surprise as her calf raising machine third-calf dam, JRI Ms Peaches N Cream possesses performance-plus 109 weaning weight and 117 yearling weight ratios on her calves. Bringing home the beef is a common occurrence for Ms Peaches N Cream as her '24 son (full brother to Touch of Class) was Lot 236 in the '25 bull sale and that meat-wagon featured a whopping 920# actual weaning weight with a scalebusting 1,427# 365-day weight. Ms Peaches N Cream's phenomenal producing ability comes as no surprise she features a Dam of Merit honored dam and three DOM honored grandams. 2026 EPDS: CED 11; BW -0.3; WW 86; YW 138; MK 24 & TM 67.

■ AI'd to JRI Optimizer 148A24 (1266738) on 4-18, then pasture exposed to JRI Rawhide 253L384 (1571042). Examined safe in calf to Optimizer for a January 27th baby. This Touch of Class/ Optimizer mating offers you unmatched fertility and producing ability as the calving ease breed trait leader Optimizer features 6 Dam of Merit honored females and his phenomenal 14-year-old dam weaned off her fall '24 bull calf at 1,100 pounds. **Guaranteed black, homozygous polled Balancer baby!**

JRI Ms Clementine 254Z8 (JRI Ms 254N72)

Oh man, check out the calving ease 79# birth weight/ whopping 718# 205-day weight growth spread on this beautiful Relentless spring-bred heifer. JRI Ms Puttin On The Ritz 254N384's awesome birth to growth spread comes as no surprise as her 6-year-old Dam of Merit honored dam, JRI Ms Cookie's N Cream 254G384 ET, flat knows how to get pregnant and raise babies. Ms Cookies N Cream usually strolls home with a scalebusting bull calf at side and to date, her sons have pounded the actual weaning weight scales at 918 pounds. Ms Cookies N Cream's phenomenal fertility and producing ability come as no surprise as she features a Dam of Merit/ Dam of Distinction honored dam and two DOM/ DOD honored grandams. Oh, I might also add that Ms Puttin On The Ritz' three DOM/ DOD honored grandams were three of the all-time great donor females at Judd Ranch with the trio producing 109 natural and ET born calves and that 109 figure is not a typo. (RC) 2026 EPDS: CED 14; BW -0.5; WW 82; YW 120; MK 25 & TM 66.

- Al'ed to JRI Priority Male 253L489 ET (1573139) on 4-20. Examined safe in calf to Priority Male for a January 29th baby. Producers, the Priority Male progeny are unbelievable which comes as no surprise as Priority Male posted a scalebusting 1,010# actual weaning weight and you bet, Priority Male features a DOM honored dam and three DOM honored grandams. **Guaranteed homozygous polled Balancer baby!**

6 JRI Ms Magic Potion 279N20 Double Black Homozygous Polled (50%) Balancer

JRI Ms Pride N Joy 254E23 (JRI Ms 254Z63)

Producers, gather up these Judd Ranch 254 cow family daughters as this fertility-plus/ calf raising machine cow family features a breed record 111 Dam of Merit honored daughters thru 2025. JRI Ms Eat Ur Hart Out 254N33 nursed a second-calf General Patton daughter, JRI Ms Glitz N Glitter 254K33 who produced an \$8,500 super stud bull calf her first year. Ms Glitz N Glitter's ability to produce awesome calves comes as no surprise as her 9-year-old Dam of Merit honored dam, JRI Ms Pride N Joy 254E23, sports an \$8,300 average on her five calving ease/ powerhouse sons. Rest assured, the all-important fertility and longevity traits are bred-in as Ms Eat Ur Hart Out's grandam, JRI Ms Extra Exposure 254L53 ET, was honored for ten consecutive years as a breed elite Dam of Merit/ Dam of Distinction female who produced scalebusting genetics for 13 years. Homozygous black, homozygous polled genetics out of a mighty powerful cow family. 2026 EPDS: CED 14; BW -0.7; WW 79; YW 120; MK 21 & TM 61.

- Al'ed to JRI Optimizer 148A24 (1266738) on 4-17. Examined safe in calf to Optimizer for a January 26th baby. Optimizer is highly recognized as one of the breeds all-time great breed trait leaders, and the calving ease specialist weaned off his first-calf dam at 80% of her body weight. Optimizer daughters are fertility-plus/ calf raising machines with superior teat/ udder quality, and his sons are calving ease/ beef machines. **Guaranteed homozygous black, homozygous polled Balancer baby!**

JRI Ms Royalty 285N358 ET would be an ET daughter out of JRI Ms Inspiration 285E53, Judd Ranch's incredible 8-year-old donor female who possesses an unmatched 99 test/udder score with a fertility-plus 367-day annual calving interval. Ms Inspiration's 367-day annual calving interval is truly remarkable as the fertile machine has produced 21 natural and ET born calves during that time frame. Now pencil in Ms Inspiration's ability to produce scalebusting genetics as six ET full brothers to Ms Royalty sold in the spring bull sale and producers, the meat machines featured a scalebusting 962# actual weaning weight average. Test/udder excellence runs mighty deep as you can view Ms Royalty's grandam, photographed at 9 years of age on page 30 above Lot 132 and note her unmatched test/udder system. (RC) 2026 EPDS: CED 14; BW -0.1; WW 81; YW 124; MK 15 & TM 56.

- Al'd to JRI Optimizer 148A24 (1266738) on 4-18, then pasture exposed to JRI Rawhide 253L384 (1571042). Examined safe in calf to Optimizer for a January 27th baby. Gather up these Optimizer matings as the calving ease breed trait leader features six Dam of Merit honored grandams and Optimizer's incredible 14-year-old dam weaned off her fall '24 bull calf at an actual 1,100 pounds. **Guaranteed black, homozygous polled Balancer baby!**

Basin Payweight 1682 (Lass 7017)
JRI Ms Porche 254F232
JRI Stargazer 254Z632 ET (JRI Ms 254L53)

Gather up these beautiful General Patton daughters as they're fertility-plus/ calf raising machines with superior test/udder quality. JRI Ms Prima Donna 254N337 ET would be an ET daughter out of JRI Ms Porche 254F232, Judd Ranch's phenomenal 7-year-old Dam of Merit honored donor female who possesses a 98 test/udder score. Ms Porche's three natural born calving ease/ meatwagon sons (full sibs to Prima Donna) featured an 83# birth weight, whopping 917# actual weaning weight, with a scalebusting 1,292# 365-day weight average. Three full sisters to Prima Donna sell as Lots 14, 19 & 24 and producers, the trio is safe to their AI dates and carrying black, homozygous polled Balancer babies. Ms Porche's unmatched fertility and producing ability come as no surprise as her grandam was honored for ten consecutive years as a Dam of Merit/ Dam of Distinction female. 2026 EPDS: CED 17; BW -2.7; WW 62; YW 88; MK 29 & TM 60.

- Al'd to JRI Real Deal 282M360 (1600524) on 4-19, then pasture exposed to JRI Rawhide 253L384 (1571042). Examined safe in calf to Real Deal for a January 28th baby. Producers, the first Real Deal progeny are phenomenal, which comes as no surprise as he posted a scalebusting 930# actual weaning weight (80.2% of his dam's body weight) off his first-calf dam who possesses a 99 test/udder score. Rest assured, the fertility is bred-in Real Deal as he features 6 Dam of Merit honored grandams. **Guaranteed black, homozygous polled Balancer baby!**

22 JRI Ms Piper 253N352 ET ET Red Homozygous Polled (75%) Balancer

JRI Ms Reba 253E25
JRI Ms Black Satine 253U85 (JRI Ms 253P71)

Check out the resume on this gorgeous General Patton spring-bred heifer. JRI Ms Piper 253N352 ET would be an ET daughter out of JRI Ms Reba 253E25, Judd Ranch's phenomenal 8-year-old donor female who has been honored as a Dam of Merit female in every year of eligibility. Ms Reba's incredible producing ability and Dam of Merit honors come as no surprise as she features a Dam of Merit honored dam and two Dam of Merit/ Dam of Distinction honored grandams. Ms Reba is well equipped in the all-important fertility department and Ms Reba flat knows how to bring home the beef, as her natural born '25 son, JRI Express Male 253N35, featured a calving ease 84# birth weight, scalebusting 1,010# actual weaning weight, and the meat machine was a member of Judd Ranch's '26 National Champion Pen of 5 Balancer Bulls. 2026 EPDS: CED 13; BW -0.3; WW 73; YW 108; MK 25 & TM 62.

- Al'd to JRI Real Deal 282M360 (1600524) on 4-19, then pasture exposed to JRI Bandito 253H32 (1477865). Examined safe in calf to Real Deal for a January 28th baby. Real Deal's first progeny are unbelievable which comes as no surprise as Real Deal posted a scalebusting 930# actual weaning weight (80.2% of his first-calf dam's body weight). Oh, I might add, Real Deal's first-calf dam possesses a 99 test/udder score and Real Deal features 6 DOM honored grandams. **Guaranteed black, homozygous polled Balancer baby!**

24 JRI Ms Pride N Joy 254N335 ET ET Black Homozygous Polled (75%) Balancer

1630149 Tattoo: 254N335 BD: 1/17/25 BW: 81 WW: 595

JRI Stargazer 254Z632 ET (JRI Ms 254L53)

JRI Ms Pride N Joy 254N335 ET will be among your top picks of the spring-bred heifers and oh man, Ms Pride N Joy features a fertility-plus/ calf raising machine donor dam. Ms Pride N Joy's 7-year-old Dam of Merit honored donor dam, JRI Ms Porche 254F232 possesses an unmatched 98 test/udder score and oh my, Ms Porche produces meatwagon sons and incredible daughters. Ms Porche's three natural born calving ease/ meatwagon sons (full brothers to Ms Pride N Joy) featured an 83# birth weight, whopping 917# actual weaning weight and the trio hammered the 365-day weight scales at 1,292 pounds. Test/udder excellence runs mighty deep as Ms Porche's daughters possess unmatched test/udder systems. Three full sisters to Ms Pride N Joy sell as Lots 14, 19 & 23 and producers, these beauties are all safe in calf to their AI dates and all are carrying guaranteed black, homozygous polled Balancer babies. 2026 EPDS: CED 17; BW -2.7; WW 62; YW 88; MK 29 & TM 60.

- Al'd to JRI Real Deal 282M360 (1600524) on 4-18, then pasture exposed to JRI Rawhide 253L384 (1571042). Examined safe in calf to Real Deal for a January 27th baby. Producers, the first Real Deal calves were born this spring and oh man, they're phenomenal. Real Deal progeny being phenomenal comes as no surprise as he posted a scalebusting 930# actual weaning weight... 80.2% of his first-calf dam's body weight. I might add that Real Deal's first-calf dam possesses a 99 test/udder score and Real Deal features 6 Dam of Merit honored grandams. **Guaranteed black, homozygous polled Balancer baby!**

Spring Bred Heifers

Natural Fleshing Ability is Standard Equipment at Judd Ranch

25 JRI Ms Tessa 285N47 Black Homozygous Polled (75%) Balancer

JRI Alan 68G3 (JRI Ms 68E2)
JRI Ms Adore You 285L37
JRI Ms Elite 285C27 (JRI Ms 285A672)

JRI Ms Tessa 285N47 will be among your top picks on sale day and this beauty sports a whopping 768# 205-day weight growth spread. Ms Tessa's whopping 768# 205-day weight is mighty impressive especially if you consider that she nursed a first-calf heifer. Ms Tessa's first-calf dam, JRI Ms Adore You 285L37, possesses an unmatched 99 teat/ udder score. Fertility and bringing home the beef is standard equipment in this Cow Power Judd Ranch 285 cow family that features 65 Dam of Merit honored daughters. Speaking of unmatched fertility, if you trace Ms Tessa's maternal side, her great grandam, JRI Ms Equalizer 285Y4, was one of Judd Ranch's all-time great donor females who produced 91 natural and ET born calves and that 91 figure is not a typo. Flip to page 30 where you can view a 9-year-old 285 cow family daughter above Lot 132 and note her unparalleled teat/ udder system. 2026 EPDS: CED 7; BW 2.9; WW 86; YW 134; MK 18 & TM 61.

■ Al'd to JRI Optimizer 148A24 (1266738) on 4-18. Examined safe in calf to Optimizer for a January 27th baby. This Optimizer and 285 cow family mating should be unmatched when you consider the 285 cow family features 65 Dam of Merit honored daughters and Optimizer features 6 DOM honored grandams. And add longevity to the equation as Optimizer's dam at 14 years of age weaned off a scalebusting actual 1,100# bull calf. **Guaranteed black, homozygous polled Balancer baby!**

Judd Ranch First Calf Heifer & Note Her Powerhouse Bull Calf

JRI In Pursuit 017B50 (JRI Ms 017X10)
JRI Ms Inspiration 285E53
JRI Ms Elsie 285Y13 (JRI Ms 285U93)

JRI Ms Ready To Mingle 285N359 ET would be an ET daughter out of JRI Ms Inspiration 285E53, Judd Ranch's incredible 8-year-old donor female who possesses an unmatched 99 teat/ udder score, with a fertility-plus 367-day annual calving interval. Ms Inspiration's 367-day annual calving interval is truly remarkable as the fertile machine has produced 21 natural and ET born calves during that time frame. Now pencil-in Ms Inspiration's ability to produce scalebusting genetics as six full brothers to Ready To Mingle sold in the spring bull sale and producers, these meat machines featured a scalebusting 962# actual weaning weight average. Teat/ udder excellence runs mighty deep as you can view Ms Ready to Mingle's grandam, photographed at 9 years of age on page 30 above Lot 132 and note her unmatched teat/ udder system. (RC) 2026 EPDS: CED 14; BW .0; WW 82; YW 126; MK 15 & TM 57.

■ Al'd to JRI Optimizer 148A24 (1266738) on 4-18. Examined safe in calf to Optimizer for a January 27th baby. This mating should be unmatched in the fertility and performance fields as the calving ease breed trait leader Optimizer features 6 Dam of Merit honored females and his incredible 14-year-old DOM honored dam weaned off her bull calf with a scalebusting 1,100# actual weaning weight. **Guaranteed black, homozygous polled Balancer baby!**

26 JRI Ms Betsy Ross 47N223 Red Homozygous Polled (37.5%) Balancer

1629777 Tattoo: 47N223 BD: 3/22/25 BW: 61 WW: 430

JRI Marshall 214X2 (JRI Ms 214U88)
JRI Made In The USA 140J37
JRI Ms Primarily Red 140G57 (JRI Ms 140D47)
SLGN X-Files 006X (Meado-West Persuasion)
JRI Ms X Files 47D23
JRI Ms Judd Linebacker 47Z13 (JRI Ms 47U12)

Producers, profitability in the beef industry all starts in the all-important fertility department and it has been documented that fertility is 12 times more economically important than growth, carcass and etc. Another incredibly important value in the beef industry would be teat/ udder quality and again, teat/ udder quality is way overlooked in the beef industry. Well, I can tell you that JRI Ms Betsy Ross 47N223 should be well equipped in both the fertility and teat/ udder departments as her 9-year-old purebred 1A Red Angus dam, JRI Ms X Files 47D23, is one fertile machine with an unmatched teat/ udder system (98 teat/ udder score). Teat/ udder excellence runs mighty deep in this prolific Judd Ranch 47 Red Angus cow family and flip to page 28 and the beauty photographed above Lot 120 would be Ms Betsy Ross's grandam and note her teat/ udder excellence. 2026 EPDs: CED 25; BW -6.5; WW 49; YW 85; MK 15 & TM 40.

■ Al'd to JRI Optimizer 148A24 (1266738) on 4-18. Examined safe in calf to Optimizer for a January 27th baby. Gather up these Optimizer matings as semen sales are closed on this calving ease breed trait leader who features six Dam of Merit honored grandams and the calving ease/ beef machine weaned off his first-calf dam at 80.2% of her body weight. **Guaranteed black, homozygous polled Balancer baby!**

28 JRI Ms One Derful 253N3810 Black Double Polled (59.4%) Balancer

JRI Ms Surefire 253A38 (JRI Ms 253W28)

Gather up these Optimizer daughters as their fertility-plus/calf raising machines with superior teat/udder quality. Optimizer daughters being fertility-plus/calf raising machines come as no surprise as Optimizer's phenomenal Dam of Merit honored dam, JRI Ms Bella 148Y44 weaned off a scalebusting 1,100# actual weaning weight bull calf at 14 years of age. Oh man, just think of your increased profitability if you could maintain fertility-plus 14-year-old females, weaning off scalebusting 1,100# calves. Fertility and longevity are way overlooked in the beef industry and rest assured, the fertility and longevity traits are bred-in Ms One Derful as she nursed a 9-year-old mama. Fertility, longevity and producing ability run mighty deep as Ms One Derful also features 3 DOM honored grandams. (HP) 2026 EPDs: CED 18; BW -2.6; WW 64; YW 97; MK 23 & TM 55.

■ Pasture exposed to JRI Rawhide 253L384 (1571042). Examined safe in calf to Rawhide for an estimated mid/late March baby. Rawhide progeny are mighty impressive which comes as no surprise as the calving ease/beef machine hammered the 365-day weight scales at 1,420 pounds. Rest assured, fertility is bred-in as Rawhide features three Dam of Merit honored grandams. **Guaranteed polled Balancer baby!**

Spring Bred Heifers

Judd Ranch First Calf Heifer and Note Her Beef Machine Bull Calf

29 JRI Ms Rawhide 254N372 Double Black Homozygous Polled (67.2%) Balancer

JRI Ms Ember 054N's performance-plus 724# 205-day weight comes as no surprise as her 10-year-old dam, JRI Ms Judd Conquest 054C, possesses 106 weaning weight and 107 yearling weight ratios on her nine calves. Ms Judd Conquest flat knows how to bring home the beef and producers, she's one fertile machine with a 367-day annual calving interval. Somehow Judd Ranch missed recording Ms Ember's birth weight but be assured Ms Judd Conquest moderates birth weights as her first eight calves averaged 71 pounds at birth. 2026 EPDS: CED 17; BW -4.5; WW 68; YW 109; MK 27; Stay 14; ProS 99; HB 47 & GM 51.

- Al'd to Duff Red Blood 18114 (4091208) on 4-20, then pasture exposed to JRI Bandito 253H32 (1477865). Examined safe in calf to Red Blood for a January 29th baby. The Red Blood progeny at Judd Ranch have been hot commodities in the annual bull and female sales which comes as no surprise as Red Blood sons are beefpacking machines, and his daughters are maternal-plus. **Guaranteed homozygous polled purebred 1A Red Angus baby!**

34 JRI Ms Red-Y To Party 253N42 Red Homozygous Polled (75%) Balancer

JRI Ms Inspiration 285E53
JRI Ms Elsie 285Y13 (JRI Ms 285U93)

Oh man, you talk about a beautiful second-calf Relentless daughter and oh my, wait until you view her incredible '26 heifer calf, which Judd Ranch is retaining. JRI Ms Respectfully Yours 285L532 ET flat knows how to raise babies as her incredible heifer calf (eartag no. 285P332) pounded the 205-day weight scales at 741 pounds. Ms Respectfully Yours phenomenal producing ability comes as no surprise as her 9-year-old donor dam, JRI Inspiration 285E53 flat knows how to produce performance-plus progeny. Matter of fact, six ET full brothers to Ms Respectfully Yours sold in the spring bull sale and producers, the meatwagons posted a scalebusting 962# actual weaning weight average. Teat/udder excellence runs mighty deep and if you flip to page 30, the 9-year-old beauty above Lot 132 would be Ms Respectfully Yours great grandam. (RC) 2026 EPDs: CED 13; BW 0.2; WW 77; YW 114; MK 16 & TM 55.

■ Pasture exposed to JRI Rock N Roll 254M327 (1599227). Examined safe in calf to Rock N Roll for an estimated mid-April baby. The first Rock N Roll progeny was born this spring and wowsa, I'd classify them as phenomenal-plus. Rock N Roll was Dave Judd's pick of the spring '24 calf crop and his fertility-plus (364-day annual calving interval) dam possesses an unmatched 99 teat/udder score, and he also features three DOM/DOD honored grandams. **Guaranteed homozygous polled Balancer baby!**

Calf Raising Machine Judd Ranch 9 Yr Old Female

156 JRI Ms St. Patty 254H925 Black Homozygous Polled Purebred

Priority Male and Trade Secret's incredible 6-year-old dam, JRI Ms Secret Blend 253E386 ET was honored as a Dam of Merit female in her first year of eligibility. Ms Secret Blend's unmatched fertility and producing ability come as no surprise as her 14-year-old Dam of Merit honored donor dam, JRI Ms Special Blend 253W28 happens to be one of the most dominate females ever produced at Judd Ranch. Ms Special Blend's first son JRI Secret Password 253Z38 reigned as the 2014 Canadian National Champion Bull and another prominent son would be Judd Ranch's phenomenal herd sire JRI Prescribed Remedy 253E38. **Photographed at 12 months of age.**

JRI Ms Perfect Match 253H384 ET

JRI Ms Special Blend 253W28 (JRI Ms 25WT8)

■ Welcome to one of the most exciting young sires Judd Ranch has ever produced. JRI Rawhide 253L384's second-calf dam, JRI Ms Perfect Match 253H384 ET possesses a beautiful teat/udder system (98 teat/udder score) and she flat knows how to raise babies. To date, Ms Perfect Match's two calving ease/meatwagon sons have posted the following phenomenal stat averages: 74# birth weight, whopping 724# 205-day weight with a scalebusting 1,390# 365-day weight. Ms Perfect Match's incredible producing ability come as no surprise as her 14-year-old Dam of Merit honored donor dam, JRI Ms Special Blend 253W28 happens to be one of the most dominate females ever produced at Judd Ranch. You might also note, Rawhide's incredible dam is a full sister to Judd Ranch's calving ease/powerhouse herd sire JRI Prescribed Remedy 253E28. **Photographed at 12 months of age.**

JRI Ms Stargazer 213D27

JRI Ms Topsy 213B47 (JRI Ms 213T87)

JRI Senator 213J37 was the super stud lead bull in Judd Ranch's 2022 National Champion Pen of 3 Balancer Bulls and oh man, Senator features a fertility-plus/calf raising machine Dam of Merit cow family. Senator posted a whopping 920# actual weaning weight (81.1% of his dam's 1,135# body weight) off his fourth-calf Dam of Merit dam. Unmatched fertility, producing ability and teat/udder excellence run mighty deep in Senator's pedigree as he features two of the all-time great Dam of Merit/Dam of Distinction honored donor females at Judd Ranch. One such DOM/DOD honored grandam would be herd sire General Patton's incredible dam JRI Ms Extravagant 213T87. The other phenomenal DOM/DOD honored grandam would be deceased herd sire Cowboy Cut's dam JRI Ms Pld Grand Prix 213G57. **Photographed at 12 months of age.**

JRI Ms Payton 254H927 ET

JRI Ms Scarlet 254D826 ET (JRI Ms 254S72)

■ This beef, butt, guts & nuts Relentless son was a member of Judd Ranch's '25 National Champion Pen of 5 Bulls and oh man, Rock N Roll features a fertility-plus/calf raising machine dam and cow family. Rock N Roll's 4-year-old dam, JRI Ms Payton 254H927 ET, possesses a picture-perfect 99 teat/udder score and Ms Payton is one fertile machine with a 364-day annual calving interval. Ms Payton's 364-day calving interval is truly remarkable as she also happens to be one of Judd Ranch's elite donor females. Ms Payton's phenomenal producing ability and fertility come as no surprise as she features 3 Dam of Merit/Dam of Distinction honored grandams. Ms Payton's three Dam of Merit/Dam of Distinction honored grandams were three of the all-time great donor females at Judd Ranch with the trio producing 94 natural & ET born calves and that 94 figure is not a typo. **Photographed at 10 months of age.**

JRI Bandito 253H32 (JRI Ms 253Z22)

JRI Ms Dominique 282K360

JRI Ms Blue Belle 282F60 (JRI Ms 282C50)

■ Wowza, you talk about a Relentless son who possesses all the profitable traits. JRI Real Deal 282M360 nursed a first-calf Bandito daughter, JRI Ms Dominique 282K360, who sports a picture perfect 99 teat/udder score and Ms Dominique flat excels in the cow efficiency department as Real Deal weaned off at 80.2% of Ms Dominique's 1,160# body weight. Real Deal's phenomenal stats: calving ease 74# birth weight 787# 205-day weight, whopping 930# actual weaning weight, scalebusting 1,298# 365-day weight and Real Deal is well endowed with a 40 centimeter yearling scrotal circumference. Real Deal's first-calf dam's unbelievable producing ability comes as no surprise as she features six Dam of Merit honored grandams. **Photographed at 10 months of age.**

 JRI Ms High Profile 170D81
 JRI Ms First Instinct 170A71 (JRI Ms 170P61)

■ Judd Ranch has produced a boatload of breed trait leading herd sires and Relentless is fully equipped to join the breed elite honor roll with the phenomenal stats he posted. (Calving ease 85# birth weight, whopping 997# 205-day weight, scalebusting 1,205# actual weaning weight and the meatwagon hammered the 365-day weight scales at 1,502 pounds.) Now pencil-in Relentless' huge 42.2 centimeter yearling scrotal, feeder delite 7.08# ADG and the meatwagon scanned a humongous 18.0 square inch yearling ribeye. Relentless rounds out "The Complete Package" of calving ease, growth, carcass and fertility as his fertility-plus/ calf raising machine third-calf dam was honored as a Dam of Merit female in her first year of eligibility. **Semen sales are closed on Relentless.**

JRI Marshall 214X2

JRI Reference Sire Black, Homozygous Polled (50%) Balancer
JRI Marshall 214X2

 JRI Ms Black Secret 214U88
 JRI Ms Lucky Star 214R78 ET (JRI Ms 214G6)

■ This breed leading powerhouse homozygous polled AI sire has worked fabulous at Judd Ranch in producing extreme calving ease coupled with performance plus growth. JRI Marshall 214X2 nursed a fertility-plus first calf heifer and I'd call his mama a calf raising machine as Marshall weaned off at 82% of her body weight and that's flat called Judd Ranch Cow Power. Marshall posted an awesome low birth to yearling growth spread with his calving ease deluxe 79 pound birth weight coupled with a scalebusting 1,273 pound yearling weight. Marshall's calf raising machine dam was honored as a Dam of Merit female in her first year of eligibility and as an Elite Dam of Distinction honored female in her first year of eligibility. Pencil-in Marshall as a breed trait leader for calving ease, low birth weight, docility, calving ease maternal, and marbling.

JRI Bandito 253H32

 JRI General Patton 213B97 ET
 JRI Ms Extravagant 213T87 (JRI Ms 213R77)
 Mytty In Focus (Countess 906)
 JRI Miss Me 253Z22
 JRI Ms Cupcake 253X82 (JRI Ms 253S71)

■ Bandito was Dave Judd's pick of the spring 2020 calf crop and the super stud swept National Champion Bull honors in the 2021 National Gelbvieh Show. Bandito's National Champion Bull honors come as no surprise as Bandito posted the following phenomenal stats: 86# birth weight, whopping 955# actual weaning weight, scalebusting 1,377# 365-day weight, huge 43.2 centimeter yearling scrotal, big ol' 17.8 square inch yearling ribeye with a carcass-plus 5.1 IMF. Rest assured, the fertility is bred-in as Bandito stems from the prolific fertility-plus/calf raising machine Judd Ranch 253 cow family that already features forty-seven Dam of Merit honored daughters. The first Bandito progeny arrived in the spring of '22 and to say the least...they're mighty impressive.

JRI Prescribed Remedy 253E38

JRI Herdsire Homozygous Polled (75%) Balancer
JRI Prescribed Remedy 253E38

 Mytty In Focus (Countess 906)
 JRI Ms Special Blend 253W28
 JRI Ms Strawberry 253T8 (JRI Ms 253L71)

■ Wow, you talk about a calving ease/meatwagon Judd Ranch herdsire who's producing phenomenal progeny. Prescribed Remedy's incredible dam JRI Ms Special Blend 253W28 was honored three consecutive years as a Dam of Merit female and wowza, Special Blend has been a one-of-a-kind producer. Special Blend's first calf JRI Ms Lucy 253Y38 is one of Judd Ranch's elite donor females and Ms Lucy's first calf was JRI Ms Victoria Secret 253A48 who happens to be the incredible dam of the herdsire JRI Overachiever 253E39. Special Blend daughters and granddaughters are phenomenal producers, now pencil-in Special Blend's ability to produce calving ease/powerhouse sons as Special Blend's first son JRI Secret Password 253Z38 sold in the 2013 bull sale and the super stud reigned as the 2014 Canadian National Champion Bull.

Cattle Producers,

Judd Ranch is continually striving to produce genetics that will add more value to your program and I don't know any trait in the registered cattle industry that will give you more return on your investment than homozygous polled genetics. Cattlemen's Connection AI semen sales features 100+ Gelbvieh and Balancer AI Sires and 99% of all sales are homozygous polled sires. On October 10th, 158 of the 163 females selling are homozygous polled and every bred homozygous polled female is carrying a guaranteed homozygous polled baby.

Put Judd Ranch homozygous polled females to work in your herd and reap the dividends!
