

Judd Ranch, Inc.

Cow Power 35 Female Sale

GENERAL INFORMATION

FREE TRUCKING....When your purchases total \$20,000 or more, JRI will truck your females FREE within the continental United States and JRI delivers directly to your door, not to some central location miles away from you. \$20,000 or more going out of the 48 states will be trucked free of charge to the border.

TRAVEL....Judd Ranch is located 1½ hours from Kansas City MCI Airport. Private landing at Ottawa Municipal Airport located three miles south of Ottawa and 15 minutes from Judd Ranch, (785) 242-5310.

RANCH LOCATION...2 miles west of Pomona, Ks. on Hwy K-68, or 12 miles west of Ottawa, Kansas on Hwy. K-68.

JOIN US...Friday evening Oct. 10 for a customer appreciation gathering at the ranch. View the cattle at your leisure, enjoy snacks and beverage, and meet up with fellow producers. Sale day we'll start serving complimentary lunch at 11:00.

ACCOMMODATIONS....It's a busy weekend in Ottawa so please call before Oct. 1 and ask for Judd Ranch Reserved Rooms.

FLASH NEW - Sale Motel Headquarters

Holiday Inn Express & Suites

785-521-7009 Option 0

2140 S. King Street, Ottawa, KS

Alternative Accommodations

Best Western- Ottawa (785) 242-2224

Super 8 - Ottawa (785) 242-5551

Comfort Inn - Ottawa (785) 242-6150

INSURANCE...Buyers, to protect your buying interest, shipping insurance is offered at settlement time. On our Free Delivery on \$20,000 or more we encourage you to purchase insurance. Our haulers have insurance but this insurance only covers the commercial value of your animals. Shipping insurance only covers death of the animal but given the minimal cost of such insurance we'd encourage all buyers to purchase it.

SPECIAL NOTE....All bred females have been pregnancy tested and sell as guaranteed pregnant. Plus, any animals DNA tested for homozygous black that are known red carriers will be denoted with (RC) and any animals DNA tested for homozygous polled and that prove to be heterozygous polled will be noted with (HP).

SIGHT UNSEEN PURCHASES....If you can't attend the sale and you want to buy, call: Roger Gatz (800) 743-0026 about our "Guaranteed to Please" Purchasing Agreement. Annually 25% of our gross sales are purchased through this time and money saving program. All females are guaranteed to meet your approval or you don't own them.

TERMS.... All cattle sell under the suggested Terms & Conditions of the American Gelbvieh Association.

\$1200 JUDGING CONTEST... Again this year the adults can earn sale credit. Three divisions: Adult, 19 years and older, Senior, 13-18 years of age, junior, 12 years and under. Placings and pay-off credit for each division...\$250 First and \$150 second. Credit applicable to all animals in the sale. Contest starts at 9 a.m. sale day.

Dear Cattle Producers:

Dave, Cindy, Nick, Ginger, Brent and Ashley are some of the most dedicated, truthful and hard-working ranchers I have been associated with through the years. And on October 11th it will have been my pleasure to assist with all thirty-five Judd Ranch Cow Power Female Sales.

Choosing a seedstock supplier is so important and Judd Ranch checks all the boxes. The primary importance is the integrity/honesty Dave and his family demonstrate daily. Another important detail is finding a source that has superior knowledge about the livestock industry and a basic approach to raising purebred cattle. Then when you add Dave Judd's honesty and extensive livestock knowledge together, they become a complete program with emphasis on superior females or Cow Power. Last spring Judd Ranch's Bull Sale featured 305 bulls with a 83-pound average birth weight/ 901-pound actual weaning weight average. The Judd Ranch program has been built around "Fertility and Pounds Produced Per Cows Exposed" and is why Judd Ranch has been honored as the #1 Dam of Merit program in the Gelbvieh breed for twenty-one of the past twenty-seven years ('98 through '24). EPDs are an estimation of how an animal should perform, but Fertility and Pounds are actual data that will keep you in the cattle business.

On October 11th Judd Ranch's Cow Power sale offering will feature 152 homozygous polled females and Gelbvieh breeders; what convenience trait will give you a better return on your investment than homozygous polled genetics? Our Cattleman's Connection AI semen sales feature over 100 Gelbvieh and Balancer A.I. sires and for us, over 99% of all sales are homozygous polled sires. Every homozygous polled bred female in the upcoming Cow Power sale is safe in calf to a homozygous polled sire and you will be the beneficiary when you start selling these homozygous polled progeny. Now let's key on the Cow Power selling as 100% of the sale offering of Gelbvieh and Balancer females feature Judd Ranch Dam of Merit cow families. Also please consider the fact that 99% of the sale offering is sired by breed-leading AI sires. Affordability is another reason to join us on October 11th, as the past twenty-six "Cow Power" Female Sales have only averaged \$2,811 on 3,224 head and folks, the last twenty-six Judd Ranch bull sales have averaged \$5,240 on 6,201 head. It is easy to see the females have averaged just 54% of the average price of the bulls-their very offspring.

As always, please feel free to give me a call toll-free at 1-800-743-0026. If you have questions about any female in this catalog or would like assistance in selecting females for your program. In case you are unable to attend the sale, I will be happy to purchase a female(s) for you within your price range, and we will guarantee your satisfaction with the animal(s) selected, with no fee for order buying. Over the years, 25% of the Judd Ranch gross sales have been purchased through this time and money saving program, and you pay only the bid price, just as if you were bidding yourself. You can reach me at 1-800-743-0026 until October 7, after that date, please call my cell phone 785/547-6262 during the day, as I will be at Judd Ranch. In the evenings, please call my cell phone (785)547-6262 or the new sale motel headquarters, Holiday Inn Express and Suites, Ottawa, KS 785/521-7009 Option 0.

Roger Gatz

Cattleman's Connection

The Judd Family

Dear Gelbvieh friends,

Cindy and I and our entire family would like to invite you to the ranch for our annual Cow Power Female Sale events on Friday, October 10 and Saturday, October 11. We so appreciate you taking time out of your busy schedule to read through our catalog.

The 35th annual Cow Power Female Sale is coming right up, and Cindy and I are just as excited about this sale as we were the first. The Judd family is so grateful for our returning customers, many are some of our longest standing friends. The Judd crew would also like to extend a special invitation to any new producers joining us this year. Many of our repeat customers start by attending a sale or two before making a purchase. We hope you can make it to the ranch on Friday, October 10th to look over the sale offering, meet our family, have your questions answered and make some new Gelbvieh friends. We hope there is something for everyone, as we have assembled one of our largest selections of females ever offered.

We have stayed true to our roots: one thing is our goal of producing Gelbvieh, Balancer and Red Angus cattle in the complete package of calving ease, fertility, growth, and carcass. We have stringent requirements our females must meet, a female must calve by two years of age, keep a tight calving interval, wean off an above average calf, maintain her body condition and a high-quality udder. Thanks to our "Cow Power" females, Judd Ranch has been named the #1 Breeder and Owner of Dam of Merit females for twenty-one of the past twenty-seven years ('98 thru '24),

Sale day will begin with our popular judging contest on sale morning. We will be offering both adult and junior judging contests. There will be three divisions: adults, senior (13-18 years) and junior (for the 12 and under set). The first place in each division will receive \$250 sale credit and the second place will receive \$150 sale credit to be used exclusively in the 2025 female sale. Plus, other cool prizes.

The events we have planned for you include:

Thursday, October 9th	Sale females ready for viewing
Friday, October 10th	
8:00 a.m.	View sale cattle
Afternoon.	Team & wagon rides courtesy of Rocking M (and also Saturday morning)
6:30 p.m.	Customer Appreciation Dinner & Party
Saturday, October 11th	
9:00-10:00 a.m.	Judging Contest (Registration begins at 8:00)
11:00 a.m.	Complimentary lunch served
12:00 p.m. Noon	Cow Power 35th Female Sale (online bidding available at LiveAuction.tv & remote bidding via teleconference line)

Cindy and I are blessed to call Judd Ranch home. We enjoy working and living around our dedicated sons and their families and are grateful to them daily. For sure, it is a team effort. Please make plans to join us at Judd Ranch October 10th and 11th for a fall weekend in the beautiful Flint Hills of Kansas. Cindy and I are especially pleased and proud to be able to work alongside our grandchildren daily: Lily (21), Levi (18), Lacy (15), Oliver (12) and our youngest Avery Jo (soon to be 9).

Cindy and I would like to thank our many loyal customers for their continued support. We are humbled by the faith and trust they have placed in us and our cattle.

Sincerely,

Dave & Cindy

HOW TO PARTICIPATE ON

LiveAuctions.TV

1

CREATE AN ACCOUNT

Click "Register to Bid" on the top right corner of LiveAuctions.tv. Fill out the required information to bid online. Agree to the terms of service and finish with the "register" button.

2

REGISTER FOR A BUYER NUMBER

From the home page or the "all auctions" page, choose the sale you're interested in. Once selected, click the "request a buyer number" button. Verify your email address with the email verification link. To verify your mobile number, click "send token". Follow the steps to authorize your mobile device and click "submit".

3

BID SUCCESSFULLY

You will only have to complete the two-step verification process one time. After that, you will be able to immediately request a buyer number on any auction without verification. If you're a winning bidder, your lots will appear in your cart on the bottom of your screen. You will be contacted by the ranch or sale manager for your payment and shipping plans.

IF YOU NEED HELP REGISTERING TO BID OR TO VIEW
THE AUCTION PLEASE CONTACT TECHNICAL SUPPORT

(682) 816-4900

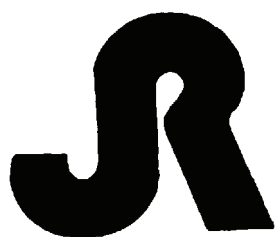

OR

TECHSUPPORT@LIVEAUCTIONS.TV.

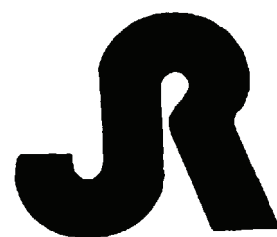

Another Option...Use Our Sale Day Conference Line

Of course, our preference is to have you join us in Pomona on October 11, but we understand traveling is not an option for all of our customers. Along with being able to watch and bid on LiveAuctions.tv, we will also have a Sale Day Conference line that customers can call in on and bid.

1. If you wish to bid by phone, please call Ashley Judd at 785-248-6005 or Ginger Judd 785-229-9266, so we can assign you a bidder number and give you the sale day conference line number. We recommend you call at least by Friday, October 10 to get your bidder number. In case of an emergency, Saturday morning requests can be accommodated.
2. On sale day, call the conference line number. Sale starts at 12:00 (noon) Central Time. We will have a representative standing by to assist you on the conference line, starting approximately 15 minutes before the sale starts.
3. Once you are on the line, state your name and bidder number to the Judd Ranch representative so that we know you are on the line.
4. When you are ready to bid, say "yes" and your bidder number. For example, if your bidder number is 230, you will say "yes, bidder 230" when you are wanting to bid.
5. If you are the winning bidder, our representative will tell you that you bought the animal, and you will be contacted by Judd Ranch after the sale regarding payment, animal pick up or delivery.
6. If you would like to mute your line, dial *6. To unmute your line, dial *6 again.

9 Year Old Mama 1020# Actual Weaning Weight Bull Calf

1 JRI Ms Renee 254M394 Black Homozygous Polled (62.5%) Balancer

1599195 Tattoo: 254M394 BD: 2/7/24 BW: 82 WW: 693

SAV Resource 1441 (May 4136)
JRI Relentless 170H281
JRI Ms High Profile 170D81 (JRI Ms 170A71)
JRI In Pursuit 017B50 (JRI Ms 017X10)
JRI Ms Honeysuckle 254E94
JRI Ms Secret Alliance 254B84 (JRI Ms 254W74)

Wow, check out the incredible resume on this gorgeous black, homozygous polled Relentless daughter. JRI Ms Renee 254M394 nursed a fertility-plus/calf raising machine In Pursuit daughter, JRI Ms Honeysuckle 254E94, who has been honored as a Dam of Merit female in every year of eligibility and Ms Honeysuckle sports an unmatched 99 teat/udder score. Ms Honeysuckle flat knows how to bring home the beef as her two sons averaged 81 pounds at birth, whopping 1,018 pounds on actual weaning weight and the meatwagons crushed the 365-day weight scales with a scale-busting 1,427-pound average. One of those meatwagon's was Ms Renee's full brother, JRI Roscoe 254L394 who was a member of Judd Ranch's '24 National Champion Pen of 5 Balancer Bulls. 2025 EPDs: CED 14; BW -1.1; WW 77; YW 117; MK 19 TM 58.

- Al'd to JRI Optimizer 148A24 (1266738) on 4-18. Examined safe in calf to Optimizer for a January 27th AI baby. Gather up these Optimizer pregnancies as the Optimizer sons are calving ease/meat machines and his daughters are fertility-plus/calf raising machines. Optimizer daughters being calf raising machines comes as no surprise as Optimizer is an elite breed trait leader for milk and total maternal. **Guaranteed black, homozygous polled Balancer baby!**

Whopping 929# Actual Weaning Weight Average on Her 5 Sons

3 JRI Ms Respect 254M3 Homo. Black Homo. Polled (61%) Balancer

1599186 Tattoo: 254M3 BD: 3/13/24 BW: 87 WW: 756

SAV Resource 1441 (May 4136)
JRI Relentless 170H281
JRI Ms High Profile 170D81 (JRI Ms 170A71)
JRI Optimizer 148A24 (JRI Ms 148Y44)
JRI Ms Optimizer 254H3
JRI Ms Simply Irresistible 254C5 (JRI Ms 254W4)

Wow, you talk about an awesome homozygous black, homozygous polled Relentless daughter who features a fertility-plus/calf raising machine dam. JRI Ms Respect 254M3's third-calf dam, JRI Ms Optimizer 254H3 was honored as a '24 Dam of Merit female in her first year of eligibility. Ms Optimizer's Dam of Merit honors come as no surprise as Ms Respect pounded the 205-day weight scales at 756 pounds. Bringing home scalebusting babies is the norm for Ms Optimizer as her '23 son, JRI Resistol 254L3 (full brother to Ms Respect) posted a whopping 975# actual weaning weight and the meatwagon flat crushed the 365-day weight scales at 1,417 pounds. Rest assured, fertility runs mighty deep as Ms Optimizer possesses a 360-day annual calving interval and she features two Dam of Merit honored grandams. 2025 EPDs: CED 14; BW -0.1; WW 85; YW 133; MK 20 & TM 62.

- Al'd to JRI Marshall 214X2 (1152366) on 4-18. Examined safe in calf to Marshall for a January 27th baby. Marshall progeny are always producer favorites in the annual bull sale and female sale, and it comes as no surprise as Marshall has been a multi-breed trait leader for calving ease, marbling and docility. Rest assured, Marshall is well equipped in the fertility department as he nursed a Dam of Merit/Dam of Distinction honored dam. **Guaranteed black, homozygous polled Balancer baby!**

2 JRI Ms Rider 254M329 Double Black Homozygous Polled (68.8%) Balancer

1600490 Tattoo: 254M329 BD: 1/22/24 BW: 65 WW: 614

JRI Ms Presence 254K429 ET
JRI Ms Secret Sister 254D325 (JRI Ms 254B25)

Oh man, you talk about a beautiful black, homozygous polled Relentless daughter who stems from a fertility-plus/calf raising machine cow family. To date, this phenomenal Judd Ranch 254 cow family features a record 101 Dam of Merit honored daughters. JRI Ms Rider 254M329 nursed a first-calf General Patton daughter, JRI Ms Presence 254K429 ET, who possesses an unmatched 98 teat/udder score. Teat/udder excellence, fertility and big-time producing ability run mighty deep in Ms Rider's genetic make-up. Her Dam of Merit honored grandam, JRI Ms Copy Cat 254R64, produced Judd Ranch's herd sire JRI Painted Black 254C741 (deceased), who pounded the actual weaning weight scales at 1,054 pounds. Rest assured, Ms Rider is well equipped in the fertility department with four Dam of Merit honored grandams. (RC) 2025 EPDs: CED 17; BW -2.9; WW 72; YW 110; MK 19 & TM 56.

- Al'd to JRI Optimizer 148A24 (1266738) on 4-17, then pasture exposed to JRI Bandito 253H32 (1477865). Examined safe in calf to her AI date. Due January 26th to Optimizer. This 254 cow family and Optimizer mating offers you unmatched fertility and producing ability as the breed trait leader Optimizer features 6 Dam of Merit honored females and his phenomenal 14-year-old dam weaned off her fall '24 bull calf at 1,100 pounds. **Guaranteed black, homozygous polled Balancer baby!**

4 JRI Ms Role Model 214M32 Double Black Homozygous Polled (62.5%) Balancer

1604512 Tattoo: 214M32 BD: 1/19/24 BW: 76 WW: 691

JRI Ms Patton 214K32
JRI Ms Envy Me 214C22 (JRI Ms 214A92)

Gather up these fabulous Relentless daughters as semen sales are closed on Relentless. JRI Ms Role Model 214M32 offers you an excellent birth to growth spread as she features a calving ease deluxe 76# birth weight coupled with a whopping 691# 205-day weight. Ms Role Model's awesome birth to growth spread comes as no surprise as her first-calf General Patton dam, JRI Ms Patton 214K32, flat knows how to raise babies and Ms Patton possesses a 99 teat/udder score. If you study genetics, you might note Ms Patton is a full sister to one of the breed's top selling AI sires, JRI Stimulus 214J32. Rest assured, fertility runs mighty deep in Ms Role Model's genetic make up as she features four fertility-plus/calf raising machine Dam of Merit honored grandams. (RC) 2025 EPDs: CED 15; BW -1.0; WW 81; YW 122; MK 22 & TM 63.

- Pasture exposed to JRI Bandito 253H32 (1477865). Examined safe in calf to Bandito for an estimated late February/early March baby. The Bandito progeny are mighty impressive which comes as no surprise as this Judd Ranch 2021 National Champion Bull is a meatwagon with unbelievable calving ease. Rest assured, fertility is bred-in as Bandito features 6 Dam of Merit honored grandams. **Guaranteed homozygous polled Balancer baby!**

JRI Ms Charlee 254G234
JRI Ms Maggie May 254E334 (JRI Ms 254C734)

JRI Ms Annabella 254M334 stems from the fertility-plus/calf raising machine Judd Ranch 254 cow family that features a record 101 Dam of Merit honored daughters. Ms Annabella's 5-year-old dam, JRI Ms Charlee 254G234 is a member of that elite Dam of Merit honored club and wow, Ms Charlee knows how to bring home the beef. Ms Charlee's '22 son, JRI Attainable 254K334 (full brother to Ms Annabella) sold in the '23 bull sale with a calving ease 83# birth weight coupled with a whopping 1,266# 365-day weight. Ms Charlee's '23 son, JRI Smart Asset 254L234 was a member of Judd Ranch's '24 National Champion Pen of Bulls and the meatwagon hammered the 365-day weight scales at 1,324 pounds. Ms Charlee's unmatched fertility (361-day annual calving interval) and big-time producing ability comes as no surprise as she features two Dam of Merit honored grandams. 2025 EPDs: CED 19; BW -3.8; WW 57; YW 87; MK 23 & TM 52.

- Pasture exposed to JRI Bandito 253H32 (1477865). Examined safe in calf to Bandito for an estimated late April baby. Bandito swept 2021 National Champion Bull honors and the calving ease/meatwagon posted the following stats: 955# actual weaning weight, 1,377# 365-day weight, 17.8 square inch yearling ribeye, carcass-plus 5.1 IMF. Rest assured, fertility is bred-in as Bandito features 6 Dam of Merit honored grandams. **Guaranteed red homozygous polled Balancer baby!**

JRI Ms Peppermint Paddy 23D72
JRI Ms Coppertop 23A6 (JRI Ms 23F5)

Oh man, you talk about a third-calf Transformer daughter, JRI Ms Trinny 23H82, who flat knows how to produce widespread birth to growth genetics. Ms Trinny's trio of babies have posted a calving ease 78# birth weight average and the trio pounded the 205-day weight scales with a whopping 793# average. Ms Trinny's fall '24 son, JRI Pendleton 23M92 will sell in next spring's bull sale and producers, the meatwagon crushed the actual weaning weight scales at 1,055 pounds. Ms Trinny is one fertile machine with a 363-day annual calving interval, and she's well blessed with a beautiful teat/udder system. Ms Trinny's incredible fertility and producing ability comes as no surprise as her dam has been honored as a Dam of Merit female in every year of eligibility. 2025 EPDs: CED 10; BW 0.4; WW 76; YW 108; MK 28 & TM 66.

- Pasture exposed to JRI Senator 213J37 (1510051). Examined safe in calf to Senator for an estimated mid/late November baby. The Senator progeny are mighty impressive which comes as no surprise as Senator was a member of Judd Ranch's '22 National Champion Pen of 3 Balancer Bulls and the beef machine weaned off at 81.1% of his Dam of Merit dam's 1,135# body weight. **Guaranteed black, homozygous polled baby.**

JRI Ms Genuine Red 53S77 ET (JRI Ms 53G66)

Oh my, you talk about an awesome Secret Sensation daughter, JRI Ms Sensational 53E47, who knows how to put cash in the bank and she's one fertile machine with a 364-day annual calving interval. Ms Sensational sports a cash in the bank \$9,500 average on her two sons and producers, the calving ease/meatwagons featured an average 81# birth weight, whopping 840# 205-day weight, scalebusting 973# actual weaning weight and the duo hammered the 365-day weight scales at 1,282 pounds. Ms Sensational's incredible fertility and producing ability comes as no surprise as she features a Dam of Merit/Dam of Distinction honored dam and grandam. Ms Sensational produces incredible sons and I might add, her daughters are mighty powerful as her fall '23 daughter, JRI Ms Red Porsche 53L57, sold as one of the top selling fall open heifers in last year's sale. (HP) 2025 EPDs: CED 15; BW -0.8; WW 69; YW 112; MK 28 & TM 62.

■ Pasture exposed to JRI Pinnacle Peak 254K497 (1559533). Examined safe in calf to Pinnacle Peak for an estimated December baby. This Pinnacle Peak/Ms Sensational mating should be phenomenal as you're matching unbelievable fertility and producing ability into one Complete Package as Pinnacle Peak posted a scalebusting 1,130# actual weaning weight off his fertility-plus Dam of Merit dam. **Guaranteed polled purebred baby.**

 JRI Ms High Profile 170D81
 JRI Ms First Instinct 170A71 (JRI Ms 170P61)

■ Judd Ranch has produced a boatload of breed trait leading herd sires and Relentless is fully equipped to join the breed elite honor roll with the phenomenal stats he posted. (Calving ease 85# birth weight, whopping 997# 205-day weight, scalebusting 1,205# actual weaning weight and the meatwagon hammered the 365-day weight scales at 1,502 pounds.) Now pencil-in Relentless' huge 42.2 centimeter yearling scrotal, feeder delite 7.08# ADG and the meatwagon scanned a humongous 18.0 square inch yearling ribeye. Relentless rounds out "The Complete Package" of calving ease, growth, carcass and fertility as his fertility-plus/ calf raising machine third-calf dam was honored as a Dam of Merit female in her first year of eligibility. Semen sales are closed on Relentless.

JRI Marshall 214X2

JRI Reference Sire Black, Homozygous Polled (50%) Balancer
JRI Marshall 214X2

 JRI Ms Black Secret 214U88
 JRI Ms Lucky Star 214R78 ET (JRI Ms 214G6)

■ This breed leading powerhouse homozygous polled AI sire has worked fabulous at Judd Ranch in producing extreme calving ease coupled with performance plus growth. JRI Marshall 214X2 nursed a fertility-plus first calf heifer and I'd call his mama a calf raising machine as Marshall weaned off at 82% of her body weight and that's flat called Judd Ranch Cow Power. Marshall posted an awesome low birth to yearling growth spread with his calving ease deluxe 79 pound birth weight coupled with a scalebusting 1,273 pound yearling weight. Marshall's calf raising machine dam was honored as a Dam of Merit female in her first year of eligibility and as an Elite Dam of Distinction honored female in her first year of eligibility. Pencil-in Marshall as a breed trait leader for calving ease, low birth weight, docility, calving ease maternal, and marbling.

JRI Bandito 253H32

 Mytty In Focus (Countess 906)
 JRI Miss Me 253Z22
 JRI Ms Cupcake 253X82 (JRI Ms 253S71)

■ Bandito was Dave Judd's pick of the spring 2020 calf crop and the super stud swept National Champion Bull honors in the 2021 National Gelbvieh Show. Bandito's National Champion Bull honors come as no surprise as Bandito posted the following phenomenal stats: 86# birth weight, whopping 955# actual weaning weight, scalebusting 1,377# 365-day weight, huge 43.2 centimeter yearling scrotal, big ol' 17.8 square inch yearling ribeye with a carcass-plus 5.1 IMF. Rest assured, the fertility is bred-in as Bandito stems from the prolific fertility-plus/calf raising machine Judd Ranch 253 cow family that already features forty-three Dam of Merit honored daughters. The first Bandito progeny arrived in the spring of '22 and to say the least...they're mighty impressive.

 Mytty In Focus (Countess 906)
 JRI Ms Special Blend 253W28
 JRI Ms Strawberry 253T8 (JRI Ms 253L71)

■ Wow, you talk about a calving ease/meatwagon Judd Ranch herdsire who's producing phenomenal progeny. Prescribed Remedy's incredible dam JRI Ms Special Blend 253W28 was honored three consecutive years as a Dam of Merit female and wowza, Special Blend has been a one-of-a-kind producer. Special Blend's first calf JRI Ms Lucy 253Y38 is one of Judd Ranch's elite donor females and Ms Lucy's first calf was JRI Ms Victoria Secret 253A48 who happens to be the incredible dam of the herdsire JRI Overachiever 253E39. Special Blend daughters and granddaughters are phenomenal producers, now pencil-in Special Blend's ability to produce calving ease/powerhouse sons as Special Blend's first son JRI Secret Password 253Z38 sold in the 2013 bull sale and the super stud reigned as the 2014 Canadian National Champion Bull.

■ JRI Paybacks 197L241 was Judd Ranch's pick of the fall 2023 Balancer bulls and the calving ease specialist is fully equipped with all the profitable traits. Paybacks phenomenal stats: calving ease 70# birth weight (top 2% calving ease direct EPD strength), whopping 855# 205-day weight, scalebusting 975# actual weaning weight, 39.5 centimeter yearling scrotal circumference, big-time 5# ADG and big of 15 square inch yearling ribeye. Now pencil-in the all-important cow efficiency trait as Paybacks nursed a first-calf General Patton daughter who excels in the cow efficiency department as Paybacks scalebusting 975# actual weaning weight equated to 88.3% of his first-calf dam's 1,105# body weight. Rest assured, the fertility factor is bred-in as Paybacks features 3 Dam of Merit honored grandams. Photographed at 19 months of age.

JRI Ms Secret Crush 270W93

JRI Ms Extra Sweet 270M83 (JRI Ms 270K73)

■ This calving ease/powerhouse SAV Resource 1441 son was Judd Ranch's pick of the 2017 Balancer bull calf crop. Real McCoy's fertility-plus/calf raising machine 11-year-old dam JRI Ms Secret Crush 270W93 was honored six consecutive years as a Dam of Merit/Dam of Distinction female. Super mom Ms Secret Crush flat knows how to spread calving ease deluxe, low birth weight with explosive performance. To date, Ms Secret Crush's nine babies have posted the following phenomenal birth to growth spread averages: 78# birth weight, ripping 731# 205-day weight along with a whopping 976# actual weaning weight, scalebusting 1,245# yearling weight spread on her four sons. Real McCoy is proving to be a calving ease deluxe sire at Judd Ranch and man oh man, the Real McCoy progeny are mighty impressive.

 JRI Ms Payton 254H927 ET
 JRI Ms Scarlet 254D826 ET (JRI Ms 254S72)

■ This beef, butt, guts & nuts Relentless son was a member of Judd Ranch's '25 National Champion Pen of 5 Bulls and oh man, Rock N Roll features a fertility-plus/calf raising machine dam and cow family. Rock N Roll's 4-year-old dam, JRI Ms Payton 254H927 ET, possesses a picture-perfect 99 teat/udder score and Ms Payton is one fertile machine with a 364-day annual calving interval. Ms Payton's 364-day calving interval is truly remarkable as she also happens to be one of Judd Ranch's elite donor females. Ms Payton's phenomenal producing ability and fertility come as no surprise as she features 3 Dam of Merit/Dam of Distinction honored grandams. Ms Payton's three Dam of Merit/Dam of Distinction honored grandams were three of the all-time great donor females at Judd Ranch with the trio producing 94 natural & ET born calves and that 94 figure is not a typo. **Photographed at 10 months of age.**

JRI Real Deal 282M360 nursed a first-calf Bandito daughter, JRI Ms Dominique 282K360, who sports a picture-perfect 99 teat/udder score and Ms Dominique excels in the cow efficiency department as Real Deal weaned off at 80.2% of her 1,160# body weight. Real Deal's phenomenal stats: calving ease 74# birth weight, ripping 787# 205-day weight, whopping 930# actual weaning weight, scalebusting 1,298# 365-day weight and Real Deal is well endowed with a 40 centimeter yearling scrotal circumference. Real Deal's first-calf dam's unbelievable producing ability comes as no surprise as she features six Dam of Merit honored grandams. **Photographed at 10 months of age.**

The NEXT Generation at Judd Ranch

Judd Ranch Mamas Flat Know How to Raise the Scalebusters

Judd Ranch Mamas Flat Know How to Raise the Scalebusters

Cattle Producers,

Judd Ranch is continually striving to produce genetics that will add more value to your program and I don't know any trait in the registered cattle industry that will give you more return on your investment than homozygous polled genetics. Cattlemen's Connection AI semen sales features 100+ Gelbvieh and Balancer AI Sires and 99% of all sales are homozygous polled sires. On October 11th, 152 of the 160 females selling are homozygous polled and every bred homozygous polled female is carrying a guaranteed homozygous polled baby.

**Put a Judd Ranch Homozygous Polled Females to
work in your herd and reap the dividends!**
