

MONTANA LIVESTOCK AUCTION

CONTINUOUS LIVESTOCK DECLARATION

To be completed by the seller.

This certificate is permanent and has no expiration date.

Your signature below certifies that all the information supplied is correct and the statements stated below are true.

As the Livestock Owner or Livestock Marketing Agency – I attest. Through firsthand knowledge, business records, or producer statements that all livestock referenced by this document or other communications specific to the transaction and transferred are of

United States / Canada / Mexico / other _____ origin.
(Please choose the appropriate response and print above.)

As the Livestock Owner or Livestock Marketing Agency – I/We certify that **NONE** of the livestock purchased from the undersigned have been adulterated within the meaning of the Federal Feed, Drug and Cosmetic Act (i.e. none of the cattle or other ruminants have been fed any feed containing protein derived from mammalian tissues, such as ruminant derived meat and bone meal, prohibited by 21 CFR 589.20000) while under my care, custody or control.

As the Livestock Owner or Livestock Marketing Agency – I/We certify that **ALL** of the livestock purchased from the undersigned adhere to the drug withdrawal times as defined by the Food and Drug Administration (FDA) while in my care, custody or control. Antibiotics were/are only used when there is a demonstrated health benefit; not solely as a growth promotant.

The undersigned also certifies that the cattle do not contain any foreign material.
