ANGUS FEMALE SALE SATURDAY, OCTOBER 23, 2021

12:00 Noon, at Billings Metra Park – Billings, Montana

Auctioneer

Roger Jacobs (406) 698-7686

Marketing Agents

Ron Frye (406) 600-7514 | Randy Frye (406) 209-7628

Sale Day Representatives

Kurt Kangas, Angus Journal	(406) 366-4190
Jeff Thomas, Agri Media	
John Goggins, Western Ag Reporter	
Devin Murnuin, Western Livestock Journal	(406) 696-1502
Don Ravellette, RPI Promotions	\ /

Transportation

Billings Logan International Airport is served by all major airlines.

Health

Interstate health papers will be furnished on all cattle selling.

Terms

Cash - Please settle for cattle promptly. All cattle sell according to the standard terms and conditions of the American Angus Association.

Insurance

Will be available sale day.

Trucking

Buyer is responsible for trucking. However, we will be glad to assist in making the best possible trucking arrangements.

Liability

All persons attending this sale do so at their own risk, legal or otherwise for their safety or the behavior of the animals. The owners, Ron Frye Marketing and sale staff assume no liability for property loss or any accidents that may occur.

Announcements

from the sale block will take precedence over the catalog. Buyers unable to attend may send their bids to Ron Frye Marketing or field representatives.

Cover photo was taken at the Birdtail Ranch a few years back. I decided to use it as a tribute to Russ Pepper, a longtime Montana breeder who was a huge supporter of the Nile Angus Female Sale, Montana Junior Angus, and a great ambassador of the breed! Russ, Barb, and Jamie were what the Montana Angus Association is all about: friends, family, and awesome Angus cattle!

Bid Online at:

Sale Sponsored By: Montana Angus Association President – Jake Callantine 1st Vice President – Chad Denowh ASSOCIATION 1st Vice President – Charles 2000.

Executive Administrator – Jesse Thompson

6/Delcome...

Robert H. Schuller said, "Tough times don't last, tough people do" 2020 & 2021 have been trying years to say the least. In my visits and phone calls preparing for this sale I have been reminded just how resilient the Montana cattlemen are. I did not hear a discouraging word. It has all been about the task at hand whether that was moving pairs due to lack of grass/water, fighting the endless amounts of fires across the state, or baleing the very valuable and much needed hay. Amazing folks in all sectors of agriculture have rallied. We are so very fortunate to be involved in this industry with people that have an attitude and work ethic that make us want to work even harder.

On to the sale. I feel it's a tremendous set of females, the kind you'll be glad to have invested in. When the cattle market turns, you will want to be surrounded with the best females you can get your hands on, and this sale has them in spades. I do believe that each lot in this sale will have the earning power to pay for herself many times over. Thanks to all the consignors for all their hard work putting this sale together.

Thank you for considering the Nile Female Sale as your source of outstanding Montana Angus Genetics.

Ron Frye

As you analyze 3C Blackbird Patty 0135, it is easy to notice we have picked out of the elite end of our herd. She is powerfully constructed as she offers added depth of body in a larger frame. When she's in motion you notice her overall width and dimension in a refined feminine package. She also posts an impressive EPD profile that offers versatility in future matings.

Her dam was purchased as an embryo from Stevenson Diamond Dot. This capacious female stands on a solid foundation and has a good udder. Her daughters have made the replacement pen and her sole bull calf was purchased by a repeat buyer in the Bulls of the Bitterroot Sale.

The sire in this mating, Tehama Patriarch, is one the leading sires in the prestigious ABS Sire Line-Up. He is admired for his sound structure, foot quality and massive appearance. In addition, all 6 of his \$Values rank in the top 20% of the breed and he offers a

\$C of 305.

• The final bonus to this female is that she is due to calve to the ABS Sire Kesslers Commodore 6516, approximately January 29th. Commodore adds powerful spread genetics, combining calving ease and growth with added frame and muscle.

• 3C Blackbird Patty 0135 will build a foundation for capacious broody cows with rib, thickness and good feet. She is a thick, easy fleshing female that has the tools to make a lasting impact on your herd. Angus GS tests have been submitted on heifer

• Ms Addition is a super stylish attractive female, who puts tons of width and thickness in a tick more moderate frame. She is clean fronted, eye appealing and she catches your eye as soon as you walk in the pen. Her very gentle demeanor is easy to like. She will make a great junior project and turn into a momma cow you are proud of.

 Her Dam, LB Pride 441, has impressive ratios of BW 5 @ 98, WW 5 @ 106 and YW 3 @ 102. She is a capacious female that has a good udder and moves well on her feet and legs. 441's heifer calves have been kept as replacements and her bull calves have made the cut for the Bulls of the Bitterroot Sale.

The sire in this mating, E&B Plus one, is a popular young

sire in the ABS/ORIgen lineup and is known for progeny with natural thickness and an attractive pattern with excellent shape, balance and design, complemented by a very complete data package

 3C 406 Ms Addition 1098 would make an excellent ADDITION to your herd and will prove herself to be a junior show heifer prospect, a replacement female to produce the next great - one or both!

· Angus GS tests have been submitted on heifer

- Dam: WR 7@101, YR 7@108
- Fancy April heifer calf.
- Sire, Colburn Primo, needs no introduction to the show ring. He's a product of one of Styles most decorated daughters and the legendary, Dameron First Class. His maternal grandam is Silveiras famous donor, Saras Dream.
- JAF Elba Merrick 230 is dam to a multitude of show heifers. including a past calf champion at Kansas City.
- Two full sisters are currently working in the BCC herd. A son sold to Thomas Angus, SD.
- Anne is the MGD of the Nicole Stevenson heifer selling in this sale.

DONOR COW

8 Basin Angus Ranch

Doug & Sharon Stevenson 54 Evergreen Dr. • Joliet, MT 5904 I **Doug Stevenson – 406-350-0350**

Doug Stevenson – 406-350-0350 Shane Whiteman – 406-366-0688

- Basin Joy 7311 is a high producing young donor cow that exemplifies the "Basin" look. She is long sided, deep bodied, and powerfully constructed, while still maintaining a feminine, maternal look. She is correct in her structure, with good feet and a nice udder.
- Basin Joy 7311 has been flushed 7 times, producing 71 high quality embryos for an average of 10 per flush. Her ET calves, this year sired by Basin Deposit 6249, are standouts for performance and phenotype. With an additional 30 pregnancies due in 2022, Basin Joy 7311 is poised to have a major impact in the Basin herd.
- Bred to VERMILION SPUR E143 by natural service, and due approximately 2-11-2022.
 - SELLING ONE-HALF INTEREST with the option to double and own full interest in this prolific young donor.
 - On her first two natural calves, Basin Joy 7311 has a production record of 2 WR 110, 2 YR 109, 2 IMF 106, 2 RE 105. Her first natural calf, Basin Banker 9024, sold as a sale feature in the 2020 MPBC Bull Sale to Green Valley Cattle in Nebraska.
 - Basin Joy 2006, the dam of Basin Joy 7311, had a very productive tenure at Basin Angus before selling to EZ Angus where she continues to be a featured donor as she approaches 10 years of age.
 - Maternal brothers to Basin Joy 7311 include Basin Advance 5016, our featured Lot 1 bull in 2016 that continues to see heavy use at Express Ranches and Basin Angus, and Basin Safe Deposit 9324, the high selling bull in our 2020 sale to ABS.

Doug Stevenson - 406-350-0350 Shane Whiteman - 406-366-0688

- Individual Performance: BW 78, Adjusted WW 727.
- · Basin Lucy 1033 has the pedigree and the look to make a tremendous brood cow. She is deep bodied and angular, with a real "front pasture" look.
- Basin Lucy 1033 comes from the heart of the Basin ET program. A standout from an early age, she was an easy selection to represent the progeny of her powerful donor dam. The dam of Basin Lucy 1033 sold as the high selling female of the 2020 NILE Female Sale to Hollow Top Angus at \$50,000 for one-half interest.

Basin Lucy 1033 is a maternal sister to Basin Deposit

6249, the featured senior herd sire at Basin Angus. Basin Deposit 6249 is siring as much performance as any bull ever used at Basin Angus, while also producing females with a very maternal style.

 The grandam of Basin Lucy 1033, Basin Lucy 1037, has left a tremendous impact in the Basin herd with numerous daughters and granddaughters earning a spot in our ET program.

Doug Stevenson - 406-350-0350 Nicole Stevenson – 406-350-2222

- · Individual Performance: BW 87, Adjusted WW 702.
- · Basin Elba Merrick 1215 NES is a fancy show heifer prospect, sired by Conley Express 7211, one of the hottest show sires in the country, and out of BCC Elba Merrick 53D, who had a successful show career for Nicole Stevenson.
- · Nicole showed a maternal sister to this heifer at the 2020 National Junior Angus Show, standing 2nd place in a powerful class.
- · With Nicole "aging out" from the Junior Angus show program, she will now be offering top show heifer prospects from her herd.
 - This March show prospect is long, and deep bodied, with excellent bone, added muscle, and a tremendous hip.

Beartooth Angus

Cory Albin

104 Zumbrun Road • Red Lodge, MT 59068

406-794-1287

- Beartooth Donna 055 will demand your attention on sale day. She is beautifully made with bold muscle expression, moderate frame, excellent feet, great structure, and the look to be a great momma cow. She has been a standout from day one. She blends the best qualities out of E&B Plus One and the Donna family.
- Montana Donna 8075 is an exceptional daughter of Coleman Donna 505. Donna 8075 was the pick of Beartooth Angus out of the 2019 Montana Ranch Female Sale. Selected for her maternal strength and stunning phenotype, 8075 is poised to be a corner-stone in the Beartooth E.T. program. 8075 is extremely docile, great footed with extra dimension. A truly beautiful Angus female. The dam of 8075, Donna 505 is a proven donor in the Montana Ranch embryo program. A full brother was a featured Herd Sire prospect in the 2019 Montana Ranch Bull Sale purchased by Little Goose Ranch @ \$19,500.
- Few cows in Angus history have been as prolific income producer As Coleman Donna 714. Known for her beautiful phenotype and the ability to recreate herself in her progeny.
 - É&B Plus One is one of the most talked about and used A.I. sires of the past few years. A thick, deep, and square made son of the very popular Confidence Plus. The lineage of Plus One reaches far and wide across the Angus landscape. Its influence has been felt in every corner of the breed. Plus One possesses a light birth epd profile that is compli- mented by strong heifer pregnancy, foot scores, and carcass excellence. Plus One has profitability written all over him.
 - Al Bred to Brumfield Trail Boss 057 (19755898) Due 6/5/22. Brumfield Trail Boss 057 is the exciting new herd sire that many believe was the best young sire at this years Cattleman's Congress in OKC, owned with Brumfield Angus, MI Stevenson Angus, MT and Gary Wall, MT

Beartooth Angus

Cory Albin

104 Zumbrun Road • Red Lodge, MT 59068

406-794-1287

- Beartooth Donna 079 is a smooth made, very deep, attractive female who will surely be one of Crackerjacks great daughters to come. Her balanced genetics, great structure, and excellent feet leaves you with limitless opportunities. Don't miss out on this one.
- Montana Donna 8075 is an exceptional daughter of Coleman Donna 505. Donna 8075 was the pick of Beartooth Angus out of the 2019 Montana Ranch Female Sale. Selected for her maternal strength and stunning phenotype, 8075 is poised to be a cornerstone in the Beartooth ET program. 8075 is extremely docile, great footed, with extra dimension. A truly beautiful Angus female. The dam of 8075, Coleman Donna 505 is a proven donor in the Montana Ranch embryo program. A full brother was a featured herd sire prospect in the 2019 Montana Ranch Bull Sale, purchased by Little Goose Ranch @ \$19,500.
- Few cows in Angus history have been as prolific of an income producer as Coleman Donna 714. Known for her beautiful phenotype and the ability to recreate herself in her progeny.
 - The excitement continues to build around Musgrave Crackerjack as his first calves hit the ground, with superior vigor and growth. They're jet black, stylish, and massive just like their sire. • Musgraves identified Crackerjack early as the next step forward in their breeding program for his powerful, yet proud look, structure and balanced genetic predictions. His productive dam has power, substance, and complimentary femininity, with incredible udder quality and excellent feet.
 - Crackerjack is pleasing many for his excellent feet, large scrotal development, and extra muscle expression. We believe Crackerjack has as much scope and future as any young sire in the Al industry.
 - Al bred to Brumfield Trail Boss 057 (19755898), Due 6/5/22 Brumfield Trail Boss 057 the exciting new herd sire that many believe was the best young sire at this years Cattleman's Congress in OKC, owned with Brumfield Angus, MI Stevenson Angus, MT and Gary Wall, MT

HEIFER PREGNANCY

Beartooth Angus

Cory Albin 104 Zumbrun Road • Red Lodge, MT 59068

406-794-1287

- Pregnancy Montana Donna 8075 & VAR Signal 7244. Due 1/1/22
- · Montana Donna 8075 has definitely hit it out of the park on her first set of ET calves. They all have the LOOK, very uniformed, stout with great feet and structure, she definitely puts her stamp on one... 8075 is out of one of the great Donna 714 daughters, Donna 505 is a proven donor for the Montana Ranch program.
- · Montana Donna 8075, was one of the sale highlights at the 2019 Montana Ranch Female sale. Coleman Donna 505 X S A V Resource 1441.

Selected for her maternal strength and stunning phenotype, 8075 is poised to be a cornerstone in the Beartooth ET program. 8075 is extremely docile, great footed with extra dimension. A truly beautiful Angus female. The dam of 8075 and her full sister, Montana Donna 7001, have served in the Montana Ranch embryo program. A full brother was a featured herd sire prospect in the 2019 Montana Ranch Bull Sale, purchased by Little Goose Ranch @ \$19,500.

· Few cows in Angus history have been as prolific of an income producer as Coleman Donna 714. Known

for her beautiful phenotype and the ability to recreate herself in her progeny.

- ~ VAR Signal is a deep bodied, heavily-muscled, super correct 1682 son.
- ~ He combines a top-of-the breed data package, outstanding phenotype, and a proven maternal side for multi-trait excellence
- ~ Proven dam has produced over a million dollars in progeny sales at VAR.
- ~ Signal's grandam is the multi-million dollar producer, Sitz Henrietta Pride 643T, working in the Express, Pollard and Deer Valley herds.

~VAR Signal 7244 was the second high selling bull of the record setting 2018 bull sale at VAR. purchased by Wall Street Cattle Co.

-VAR Signal 7244 is from a breed leading proven cow family and his dam is the mother of multiple herd bulls including VAR Legend 5019.

VAR SIGNAL 7244 - AI SIRE

- -VAR Signal 7244 progeny have depth like their sire, a good hip like their sire, great fronted like their sire and are coming at a moderate birth weight, averaging 75 lbs. on his first 30
- -VAR Signal 7244 is a medium framed bull with depth, bone, muscle, and a good big, foot.

Signal is an excellent breeding choice and is primed for a killer calf with Donna 8075.

 A tremendous opportunity to purchase an elite female from the full sister to ABS Global legend, RB Tour of Duty 177, and a maternal sister to RB Active Duty 010. Circle L Lady 11J has a strong EPD profile with excellent dollar values. 11J possesses the calving ease of Confidence Plus with the maternal power of breed greats, Werner War Party, Connealy Onward and Vermilion Dateline. This female stems from a dam that records BR 2@92, WR 2@122, YR 2@111, and UREA 43@102 with 20 daughters in production with an average nursing ratio of 105. Maternal sisters include RB Lady Denver 167-453, the \$150,000 one-half interest for a \$300,000 valuation record selling female of the 2018 National

Finals Angus Sale going to Maple Lane Angus and Nowatzke Cattle Company of Indiana and RB Lady Denver 167-428, the \$51,000 top selling open heifer calf of the 2015 National Western Stock Show Foundation Female Sale.

· Confidence Plus continues to be a must use sire in progressive Angus breeder's Al programs. His Pathfinder dam posts 6 natural weaning ratios @ 108. Confidence Plus posted an individual %IMF ratio of 168.

Green Mountain Angus Ranch

Tim & Kris Todd

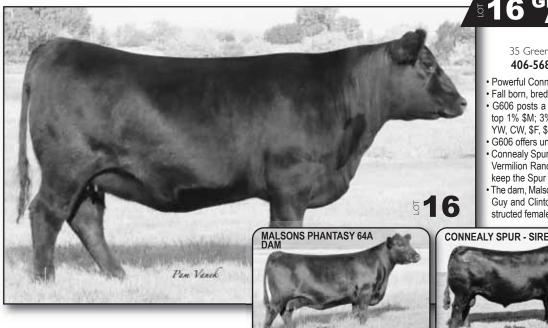

35 Green Mountain Dr. • Ryegate, MT 59074

406-568-2768 (H) • 406-220-1975 (C)

- Powerful Connealy Spur daughter!
- Fall born, bred for spring!
- · G606 posts a most impressive EPD profile, ranking in the top 1% \$M; 3% HP & \$C; 4% ANG; 10% WW & Doc; 15% YW, CW, \$F, \$W, & \$B; 20% Claw; 30% IMF.
- G606 offers unique potential in mating strategies.
- · Connealy Spur is one of the most popular sires ever used at Vermilion Ranch. His progeny are long, powerful cattle that keep the Spur style as they age.
- The dam, Malsons Phantasy 64A, is a favorite donor cow from Guy and Clinton Laflin. A perfect uddered, maternally, constructed female. This cow never fails to produce, making her

and her offspring, cattle that find the profit column.

- Due 2/3/22 to MRA Advocate 9035
- The first progeny of Advocate are very impressive. Look for him to be one of the best sons of KG Justified, as many breeders use this outstanding young sire.

8 Hilltop Angus Ranch

Cory & Gary Poser 1831 Everson Road • Denton, MT 59430

406-567-2439 • 406-366-3461

- BW 70 lbs; WW 630 lbs.
- · 60J is deep, sound, and very easy fleshing. She is good footed and has the look of a real world mama cow. 60J descends from a tremendous cow family and 5 consecutive Pathfinder dams including two cows that have served as donors at Hilltop Angus Ranch. The Chloe Lass cow family stands apart in terms of cows that are correct, fertile, efficient and good uddered.
- Dam's production is 5@100 BW and 5@108 WW. She is a good footed, great uddered and top producing cow.

The sire of 60J was the second top selling President son in the 2019 SAV Angus sale. Constitution is siring moderate

calves with worlds of muscle and shape. The first sons of Constitution were highly sought after in the 2021 Hilltop Bull sale and include the herd sire Hilltop Constitution 499H, selected by Pine Coulee Angus. Constitution's dam is a top producer at SAV and her other sons include Expertise at GENEX and Scalehouse who was the top selling bull in the 2021 SAV sale for \$275,000.

 - WW, YW. 20% \$F.
 - · Sire is the very popular, former Hinman Angus sale topper, HA Cowboy Kind 8157. A top son of Cowboy Up out of the cornerstone donor HA Lass 3303. Cowboy Kind has an outstanding future. Progeny are moderately framed with shape and eye appeal. He continues to impress his ownership group and those who have progeny from this young sire. Used in multiple commercial heifer projects with rave reviews.

20 Hyline Angus Ranch

Ben & Ken Van Dyke 2062 Bitterroot Road • Bozeman, MT 59718

406-580-0224 (B) • 406-580-6443 (K)

Dam Record: 3@100 weaning, 3@100 yearling, dam calving in-

- Grandam: 9@102 weaning, 7@100 yearling, dam calving interval 11@364
- Great Grandam: 5@110 weaning, 2@106 yearling

 Hyline Eileenmere 108, an opportunity to purchase an elite female from a herd bull producing cow family. 108's dam is a cow that every visitor to the ranch sees and wants to own. She is one of the very best cows on the ranch. Thiis is the first female offered for auction out of this cow.108's dam has herd bulls working in registered herds in Montana and Utah. Grandam has two sons working in registered herds in Montana and Texas. Great grandam has herd bulls working in Montana, Texas and Mississippi. The bulls out of this cow family are always at the top of our bull

sale.108 is a very angular and correct daughter of Hyline Horsepower 268, the high selling bull in our 2019 bull sale to Stanford Angus in Mississippi. His first calf crop did not disappoint; both the bulls and the heifer calves are at the top of their respective groups. The featured bull in our 2022 bull sale will be a son of Hyline Horsepower 268, out of the same cow family as 108. Hyline Horsepower 268, is a N Bar Emulation 5522 derivative who was brought into use on our Wye and Rito and 338 bloodlines here. Yes, we still do mate bloodlines here at Hyline. This is an excellent opportunity to purchase a great female from one of the most proven cow families we have. Don't miss out on this one. She will make a great addition to anyone's herd.

- Hyline Eileenmere 107 is an outstanding daughter of the featured herd bull at Hyline stemming from the same cow family as the Eileenmere 108 female. This featured heifer weaned at 775 to ratio 100. Stemming from an extremely productive cow family, her dams first calf was a feature of our 2020 bull sale
- 107 is a very stout made daughter of Hyline Pilot 144, who was the top selling bull of our 2015 bull sale to Drakos Enterprises. 107 is a very angular, deep ribbed and stout made daughter of Pilot. If you are looking to add a foundation female to your herd be sure to take a look here. 107's Dam's first calf was the lot 1 bull in our 2020 sale that sold to Andy

Johnson in Dillon. He is seeing heavy use in his herd. 107 is a line bred Eileenmere that traces five times to the maternal legend, Candolier Forever 376, which will make her a maternal masterpiece. If you are looking to add a maternal gem to your program this is certainly your female.

JL Farms

Jena & Jordyn Wagner 3752 Little Creek Lane RR 9 • Billings, MT 59101 406-698-3534

· Talk about one that has cow potential. This is the type of female that you can build a herd around. JLF Blackbird 1223 combines power and width from the ground up with an extra length of body and skeleton. The Blackbird cow never misses for us in the ring or in the pasture, including the many-time champion JLF Blackbird 8262 that was sold in the 2018 NILE Angus Female Sale.

JLF Princess 1114 is a full sib to JLF Princess 6162 that was the NILE Grand Champion Bred and Owned Female in 2017. This fancy made April female has the depth of body and dimension of rib to compete. She is beautifully constructed and stamped with that eye catching and attractive design on the profile. We believe she has the potential to surpass her full sibs' accomplishments in and out of the show. We at JL Farms are excited to see her future.

H-C Cattle

John Carrel 4439 Hwy 78 • Columbus, MT 59019

406-855-2832

- Dam Production: BW 4@99, WR 4@103, YW 2 @101
- BW: 90; Weaning weight: 805 lbs
- Excellent opportunity to purchase a future Everelda Entense Donor! Sure to be a crowd favorite sale day. This fancy female traces to Montana Royalty on the bottom side of her pedigree.
- Sire, Bubs Southern Charm AA31, is one of the most complete sires in the breed today. His EPD profile combined with a stunning phenotype has made him a must use sire.
- Dam, JC Everelda Entense 20C, was purchased as an embryo in the 2014 NILE Angus Female Sale. Maternal grandam, BT Everelda Entense 526M, is a past featured lot in

the Beartooth Ranch Dispersion and has been a cornerstone dam at Baragree Cattle Com-

· The maternal great grandam is Sitz Everelda Entense 1905. A female that ranks among the breed's elite! Chosen by Beartooth Ranch to be their headline female, 1905 didn't disappoint. Today the lineage of 1905 is responsible for millions of dollars of revenue for those owners with the vision to invest in her and her progeny.

- Fancy bred heifer that ranks in the top 1% WW,YW, \$W. 2%
- Top 3% \$M, RE.
- · Light birth weight, strong performance in an extremely attractive package.
- Sire was the top selling bull in the 2019 Hinman Angus Sale. HA Cowboy Kind has risen to the top of Cowboy Up sons for his tremendous calving ease and performance. A truly unique individual who produced the top selling bull in the Heiken Angus 2021 Bull Sale. Daughters look to be the right kind, their style, class and EPD profile will make for easy mating

decisions.

- · Maternal grandsire, Sitz Dividend 649C, was a top selling son of Barstow Cash from the 2016 Sitz Spring Bull Sale. Purchased by ST Genetics, Raymond & Sons Inc, Botts Angus Ranch and KG Ranch.
- Dividend ranks in the top 1% among parent sire for birth EPD.
- · Al bred to the very popular Genex roster member, KG Justified.
- Al bred to KG Justified 3023, due 2/3/22

26 McDonnell Angus

Leo & Sam McDonnell 13 Bull Drive • Columbus, MT 59019

406-780-0176

• This is the natural calf of McD 2 Ritoess 3155. 3155 is part of the ET program for the McDonnell family. Camilla's Pride 1200 is a complete heifer that will fit any breeding program. She will provide endless mating possibilities. Ranks in top 15% M; 25% HP, IMF, \$F, \$B, \$W, \$G; 35% \$C.

McD Effective 789 was one of the top efficiency bulls from the 2018 sale. Effective came off of the test at 1247 lbs with a feed conversion of 4.9 feed/lb of grain. He also had a -3.57 RFI. His dam is a top producing cow.

Basin Yellowstone R178 was extremely well known for being one of the top performance bulls ever. The daughters of Basin Yellowstone R178 are deep bodied, easy fleshing, highly fer-

> tile, productive, powerful brood cows. The dam of Basin Yellowstone R178 was a long bodied, attractive, and productive cow. She was a very functional cow with exceptional fertility and longevity, while also being an extreme outlier for carcass merit. The dam of Basin Yellowstone R178 and the next five cows back in her pedigree all stayed in production to 10 years of age or longer, weaning off an average of 10 natural calves each. The dam of Basin Yellowstone R178 compiled a production record of 9 BR 98, 9 WR 105, 19 IMF 123, 19 RE 110.

Mark & Kathy McFadgen 3024 Bugli Lane • Stevensville, MT 59870 406-360-8701

· Weight at 187 days was 719 lbs.

· Rosie is a good looking heifer, stout yet feminine.

 Her sire is E&B Plus One, an ABS/Origen sire. Plus One is one of the most talked about and used A.I. sires of the past few years. A thick, deep and square made son of the very popular Confidence Plus. The lineage of Plus One reaches far and wide across the Angus landscape. Its influence has been felt in every corner of the breed. Plus One possesses a light birth EPD profile that is complimented by strong heifer pregnancy, foot scores and carcass excellence. Plus One

has profitability written all over him.

· Great disposition, she would make a nice show heifer for a Junior.

• Rosie's Dam is a 6 year old cow who has a perfect udder and raises a big calf every year. The cow goes back to the to the WK Bobcat & Kinochtry genetics.

She is HD50K tested.

• BW: 96 (ET) Adj 205: 776 • Dam's Prod – WR 4@103; YR 2@102

· A bred heifer that might be the best Skinners have ever offered. She comes right out of their extensive embryo program. This heifer is simply stunning to evaluate. She is long-made, deep-ribbed and thick. She combines a lot of power with a feminine, pretty front end.

Her dam is a coveted cow at Skinners as she embodies what they believe an Angus cow should look like. She is long, thick, and correct with a great udder. She also has those extras that everyone wants, an incredible, feminine front end, level design and balanced phenotype. But just as importantly

she has an excellent foot on her, with great

structure from the ground up.

 Her sire, Hoover No Doubt, needs no introduction as he has caught the attention of Angus breeders for his impressive performance and stout made progeny.

 She is due 1/21/2022 to SRS Honest 3136H. Honest is a Blockbuster son that is level designed, huge topped, and big ribbed. A frame moderating bull that is extremely clean made. Honest has a bright future.

Another female out of Skinner's ET program, this Feature heifer calf is long spined and deep ribbed. She is a level designed heifer that is clean made and angular in her makeup. This bigtopped heifer would be a great addition to anyone's program.

 This heifer is an ET heifer that comes from the powerful Rose cow family at Skinners. Her mother, SRS Rose 1244Y, was the top selling cow that sold for half interest to Bob Willekes in their 2019 Elite Female sale. This cow has done a phenomenal job at Skinners, producing top selling bulls while placing beautiful daughters back in their herd. SRS also retained a son for a

> herd sire, SRS Eastwood, who has produced many stout bulls in their sale from first calf heifers. She maintains incredible phenotype at 10 years of age and has an excellent udder as well.

> · Feature is excellent footed and has continued to impress us in his first three breeding seasons. His calves exhibit his same balance, style and eye appeal. His first daughters will calve this January and have the look to make beautiful Angus cows. He looks to be producing the type of females that are simply the "right kind."

- Lady Ashland possesses big time power in a calving ease package. Ranking in the top 1% CED, 5% \$W, 10% WW, &
- Her MGD, RB Lady Standard 3-5-02, was the \$120,000 valued top selling female of a past Pasture View Sale. She posts a 15% BW & YW; 40% \$B, & \$C.
- A full brother to the dam of S.D. Lady Ashland, is the \$160,000 RB Confirmed 02-4524, owned by Alta Genetics, Split Diamond, and Diamond Peak Cattle Co.
- GAR Ashland continues to sire progeny that are in high demand from registered breeders and commercial cattlemen alike. Tremendous spread from birth to yearling combined

with marbling and ribeye EPDs that rank in the top 4% make Ashland one of the top A.I. sires of the past couple of years.

Sexed heifer calf pregnancy:

- From RL 9061 Birdie 3102, AAA# 17614506
- · Dam is our current high income producing cow with three featured sons selling for:
- \$221,000 Stevenson Big League 70749 to Express Ranches and Wilkes Bros.
- \$120,000 Stevenson Declaration 70748 to ST Genetics
- \$16,000 Stevenson Republic 90552 to Rock Lake Land & Cattle
- Five other sons have been retained for within herd use • Dam records 5 NR 105, 4 YR 102, 7 IMF 113 with 7 RE 108. Ten-year-old grandam records 7 NR 109. Third dam is fifteen years old and still in production, recording 11 NR 106.

 • Tremendous cow family with prolific embryo production:
- This year, eight year old dam produced 105 embryos and ten year old grandam produced 60 viable embryos

Two options:

- Pregnancy by SG Salvation, AAA# 19559741
- Featured \$72,000 sire for the Grimmius herd sire
- The leading \$C and \$M Baldridge Alternative E125 son in the breed
- Unique combination of profile and body type paired with extraordinary EPD set for performance, maternal and carcass
 - Pregnancy by Poss Rawhide, AAA# 19416968
 - \$140,000 featured ST Genetics sire
 - · Elite calving ease with impressive phenotype, a new generation herd sire with trait leading performance and carcass to improve end carcass merit
 - Superb maternal influence from the top cow family in the Poss herd
 - Due April 15, 2022

- StreamSide Ever Entense 2011 combines two of the most popular sires of the last decade.
- 2011 also combines two of the breed's greatest cow families, the May cow family from Schaff Angus Valley and the Everelda Entense family from Sitz Angus.
- She will be appreciated on sale day for her tremendous rib shape and volume in a striking package. This exciting heifer has the ability to follow in her famous dam's legacy.
- PVF Insight 0129 has made his mark on the Angus industry. Insight ranks in the top 1% RE and has the unique ability to sire females with eye appeal, and stout powerful sons. His progeny are well balanced, deep bodied cattle that exhibit

eve appeal with added muscle shape.

• Dam, Pine Coulee Ever Entense A40, needs no introduction to astute Angus breeders. Without a doubt, one of the greatest females ever produced by S A V Resource 1441. She produces practical and phenotypical ideal Angus cattle. Her progeny are always standouts possessing power and style. A40 has been a cornerstone in the Pine Coulee program, having produced Pine Coulee Cattleman F300, the top selling bull in the Pine Coulee Bull Sale in 2019. Pine Coulee Citadel F319 and Pine Coulee Impressive were also standouts from this tremendous female. The pregnancy between A40 X Square B Atlantis topped the pregnancy division at the 2020 Ladies of The Beartooth Sale.

• A40 posts 3 WR @ 109.

· Al bred to Mill Brae Benchmark 9016. Due February 8th, 2022

Dan 406-570-9001 • Amber 406-570-2205

2130 is a High Class show heifer prospect that you could take anywhere in the country next summer and be competitive. She possesses all the pieces, with a nice hair coat. She is a daughter of the up and coming sire, LVS El Dorado, from Levisay Farms, CA who is by Plum Creek Paradox. El Dorado stamps his progeny with length of body, a feminine look with plenty of power & a luxurious hair coat.

Dan 406-570-9001 • Amber 406-570-2205

2136 is easily the stoutest made Elisha daughter to date. She is constructed powerfully from the ground up. She has as much bone, middle and thickness as you would want in a female, yet is structurally fault free. She is a flush sister to the 2019 NILE calf champion & Jr Show B&O Reserve Heifer. That flush sister is in our string at NILE with her impressive bull calf at side. Come by the stall and see what kind of mother cows Elisha daughters make.

20323 Norris Rd • Manhattan MT 59741

Dan 406-570-9001 • Amber 406-570-2205

 This April granddaughter of Elisha 1146 is out of the First Class daughter that claimed Grand Champion B&O heifer at the NILE in 2019. With the genetics that are so deeply rooted in purple, you can't help but be excited about this heifer's future. She's ultra feminine but has plenty of power. An opportunity to own an Elisha with First Class in the pedigree is rare,

Cherry Knoll Elisha 1146 Dam of Lots 40 & 41 (4-29-2011 to 4-21-2021)

I could write a book about Elisha's days at StreamSide Cattle. She served as Trista's show heifer, not just for one successful season but for FIVE! Elisha was on and off the tan bark for half her life hanging purple banners! Most notably was winning back to back titles of ROV Cow of the Year! We have always given her the credit of landing StreamSide on the so-called map in the Angus show world. Trista would go on to successfully campaign Elisha offspring until the very end of her Junior career. Now it's YOUR turn to have the opportunity of owning your "Elisha!" Be careful not to get caught with your hands down come auction day. Elisha offspring are, from this point forward, in short supply and high demand. We have chosen the very best of this year's ET calves to sell at the NILE female sale, giving juniors the opportunity to show at next year's Futurity. Now is the Time: find your spot on the map! See you at the NILE!

- · Really well made Spur daughter with added look and style. She balances well, moves with ease and is solid on her feet and legs. Really guiet disposition, we expect her to make a great junior's project.
- B21 is out of a beautiful Wisdom daughter who has raised 6@105. Great udder and feet on this cow.
- Spur himself is in the Top 1% \$M, 4% for heifer pregnancy. His daughters are making exceptional cows and this heifer will be no different.

Vermilion Ranch

The Pat Goggins Family P.O. Box 30758 • Billings, MT 59107

406-670-0078 • 406-861-5664

- Vermilion Ranch is once again consigning one of their best to the NILE. They have consigned every year since the very first NILE sale.
- She is a powerful daughter of Vermilion Spur D125. He topped the Vermilion Sale to Krebs Ranch in Nebraska and has outstanding EPDs. He sired the Reserve Grand Champion heifer in the first Phenotype and Genotype Show at the National Junior Angus Show this past summer for Payton Scott. He is the Spur son that the Vermilion Ranch is continuing with the Spur line in their breeding program. His dam sold for \$22,000.00, topping the Vermilion Sale of the dispersion of the seven year old cows in 2020.
 - WR-118 YR 114
 - Al bred to Connealy King Air, due 2/10/22, carrying a bull calf. King Air's first calves show tremendous promise. He is a calving ease sire with -2.0 BEPD, and the calves are sharp made with lots of performance.

MATERNAL GRANDAM: BASIN LUCY 1037 - AAA +*16938584

- Basin Lucy 1E87 is a powerful, deep bodied, balanced trait daughter of Basin Lucy 1037. Basin Lucy 1037 had a very prolific and productive tenure at Basin Angus and Montana Ranch. Now at 10 years of age, she is a featured Donor at Ankony Angus in Georgia.
- Maternal sisters to Basin Lucy 1E87 include Basin Lucy 4288, the top selling female of the 2020 NILE Angus Female Sale.
- Basin Angus has weaned 20 embryo progeny from Basin Lucy 1E87 this fall, including a very strong group of full siblings to this embryo package. With an even greater number of embryo progeny due in 2022, Basin Lucy 1E87 is a major building block in the currect Basin Angus program.

 • Basin Freedom F361 is a light birth, high growth, balanced trait young sire that has
- seen heavy use in the Basin program. His progeny have a tremendous look, with exceptional length and added muscle, and are performing as expected. The first 49 calves weaned are averaging 99 for birth weight ratio and 101 for weaning weight

producer that recorded progeny weaning and yearling ratios of 106 and 110, respectively, on her first calf and was selected as the \$15,000 top selling lead off female in the 2017 Lawson Farms Sale. She has a production record of 3 @ 101 for BW, 3 @ 110 for WW and 2 @ 110 for YW. Coleman Chloe 975, a full sister, sold for one half interest as the top valued female of the 2019 Coleman Fall Production Sale at \$60,000 for \$120,000 valuation to Jocko Valley Ranch of Montana.

- Another full sister, Coleman Chloe 9274, was the \$70,000 top selling summer born heifer calf in the 2020 Coleman Fall Production Sale going to Sandford Ranches of Texas. Grandam has a progeny weaning ratio of 126 on three natural calves and the third dam is a maternal sister to the record selling Basin Franchise P142 stemming from the \$250,000 valued Basin Chloe 812L.
- Triumph himself is a smooth patterned, deep bodied, square made individual that is super on his feet and legs. He is being used heavily at the Coleman Angus program exceeding expectations. His calves come light with explosive growth, big topped, lots of bone and with great foot structure.

All of these are full siblings to the embryos selling

EMBRYO PACKAGE

• This featured embryo package is the result of the 2020 selection of Montana Ranch in this very event last fall. 0032 was the pick of the 2019 and 2020 born females at Heiken's. chosen from over 400 females. The 0032's dam is a full sister to JCH Chisum 5050, who was the high-selling bull in Heiken's 2016 sale to Sitz Angus Ranch. 0032 was not only a standout at Heiken's, but is one of the top \$Maternal females in the breed, and without question one of the best Logo daughters in the breed. The mating to the popular Barricade really hits the sweet spot for EPD's, fertility and maternal production.
