Welcome!

Welcome to our annual Production Sale. We value our many friends and customers that we have developed during our many years in the Hereford business. I am a 4th generation Hereford breeder with my great-grandfather, JD Meeks, originated our Hereford herd in the early 1900's in Texas. My grandfather, Alfred, moved his family and cowherd from Dalhart, Texas to our present location at the Upstream Ranch back in 1955. I'm very proud of the fact that we have been greatly involved in this great breed for such a long time.

Our goal and mission at the Upstream Ranch is to produce moderate framed, thick made, fast growing, efficient cattle that will be profitable in the commercial cattle industry. We always try to produce productive cattle that have a solid balance between calving ease, efficient growth, strong maternal traits with a heavy emphasis on udder quality, and improved carcass traits. We have really emphasized the improvement of carcass traits in our herd and I think the carcass EPDs for this set of sale cattle is pretty impressive.

The Hereford business is in a very exciting time. The breed has made fabulous improvement over the past decade and I feel that trend will continue. Our genetic goal has always been to balance phenotype, EPDs and pedigree acceptance into a high quality product. Integrity and a no-nonsense approach to raising cattle, something I learned from my Grandfather, will be our focus at Upstream Ranch. Soundness and problem-free production is our top priority in our cow herd.

I feel this is our strongest sale offering to date. The bull offering is really deep in quality. At this sale, buyers will have the opportunity to sort through many stout, thick made bulls with breed leading EPDs. All the bred heifers offered in this production sale are ultrasounded safe in calf to calve in April. These heifers were picked from the heart of our replacements.

Call if we can answer any questions about the offering or the cow herd. We cordially invite you to be with us on Saturday, Feb. 4, 2023, for lunch and viewing of an offering we're proud to present. If you cannot be present at our sale we are excited to present it live on Superior Click to Bid and DV Auction will be broadcasting it live.

How to Participate as an Absentee Buyer

Updates...

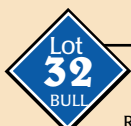

Both the American Hereford and Angus Associations run data every week which slightly effects the EPDs. EPDs printed in this catalog were current with both associations as of Dec. 23, 2022. If you want the up to date EPDs prior to the sale, go to www.hereford.org, Genetics, EPD Search, Guest Access and type in the name or registration number of the animal(s) you're looking for and that week's current EPDs will show. For the Angus, go to www.angus.org, Management, Animal Search and type in the name or registration number. You can get the latest EPDs as well as extended pedigrees on any animal in that particular pedigree from both associations.
